# The Story of Civilization

BY WILL DURANT

The most economical library-building system ever devised

THE PURPOSE of this suggested trial membership is to demonstrate, by your own actual experience, four things highly important for every reading family. First, that membership in the Book-of-the-Month Club is a certain way to keep from missing, through oversight or overbusyness, the new books you fully intend to read; second, that you will pay, on the average, 20% less for those books you want than you otherwise would; third, that you will have a wide choice—

more than 200 books a year; and fourth, that under the Club's new Book-Dividend system you will be acquiring useful or beautiful volumes—and fine high-priced sets—for trifling sums.

\* **HOW CAN IT BE DONE?** The answer to that natural question is that the Club's Book-Dividend system is comparable to the traditional profit-sharing systems of consumer cooperatives. The Club regularly sets aside from its income what is termed its Book-Dividend Fund.

As this total accumulates it is invested for the benefit of members in large editions of high-priced library volumes—beautiful art books, indispensable reference works, practical and useful books in many fields, literary classics both old and new, and costly multi-volume sets like the one pictured here. These are the Club's Book-Dividends.

\* **YOU HAVE A WIDE CHOICE OF BOOK-DIVIDENDS** • The system is simple. With every Club Selection or alternate you try you receive one Book-Dividend Certificate. This certificate is then exchangeable upon payment of a nominal sum—in most cases only \$1—for one of the Book-Dividends. You make your choice from a Book-Dividend Catalog (revised several times a year). More than a hundred different volumes are at present available, and others are constantly being added; nearly every month a new one is announced. Members are free to choose among them, getting as many as their purchases permit.

\* **A SAVING OF \$78 ON THE SET**

... a percentage of saving not unusual on all sets available through the Club's new Book-Dividend plan

- \* **VOLUME I • Our Oriental Heritage** • The civilizations of Egypt and the Near East to the death of Alexander, and of India, China and Japan from the beginning to our own day.
- \* **VOLUME II • The Life of Greece** • A history of Greek government, industry, manners, morals, religion, philosophy, science, literature and art from the earliest times to the Roman conquest.
- \* **VOLUME III • Caesar and Christ** • The rise of Rome from a crossroads town to the center of the world, ending with the collapse of classic civilization in the chaos of the Dark Ages.
- \* **VOLUME IV • The Age of Faith** • Medieval civilization from Constantine the Great to Dante—A. D. 325 to 1300.
- \* **VOLUME V • The Renaissance** • A history of Italy's Golden Age beginning with the birth of Petrarch and ending with the death of Titian.
- \* **VOLUME VI • The Reformation** • Europe's world-shaking religious conflicts, beginning two centuries before Martin Luther and ending with John Calvin.
- \* **VOLUME VII • The Age of Reason Begins** • A history of European civilization from 1558 to 1648, teeming with "figures that put fiction in the shade." WRITTEN WITH ARIEL DURANT.
- \* **VOLUME VIII • The Age of Louis XIV** • Europe in the brilliant era of the "Sun King," covering the lively and complex civilization of Pascal, Molière, Cromwell, Milton, Peter the Great and Spinoza. WRITTEN WITH ARIEL DURANT.

Please enroll me as a member of the Book-of-the-Month Club and send me the eight-volume Story of Civilization (publisher's retail prices total \$86), billing me only \$8. I agree to purchase at least four monthly Selections—or alternates—during the first year I am a member. Members' prices for these books average 20% less than the publishers' retail prices. I have the right to cancel my membership any time after buying these four books. During the trial and thereafter, if I continue, I am to receive a Book-Dividend Certificate with every Selection—or alternate—I buy. Each certificate together with a nominal sum—usually \$1.00—can be redeemed for a Book-Dividend which I may choose from a wide variety always available. PLEASE NOTE: Occasionally the Club will offer two or more books together at a special combined price. (Such purchases are counted as a single book in fulfilling the membership obligation.)
