

DRIVE NETS ANOTHER \$2,000 - The drive to raise funds for the construction of the Presbyterian Intercommunity Hospital netted another \$2,000 recently when Boyd San-derson, administrator of the hospital, received a donation in that amount from Mrs. Ernest Mullis, representing the Soropitmists of Klamath Falls. The club is now endeavoring to raise the remainder of its \$3,000 pladge. Observing the presentation is Ross Ragland, president of the hospital board of directors. Meanwhile, workmen at the hospital site were continuing excavation work. Weather permitting, the footings for the

#### Play Sets **New Dates**

The Klamath Civic Theatre production of "Blithe Spirit," slated for a six-day run beginning last Friday, has been rescheduled to open Nov. 22 in the Pine Grove Room of the Willard Hotel, Bill Hagerman, director of the show, has re-

Additional performances are scheduled for the following Saturday and Sunday with the li-nal showing set for Friday.

Nov. 29. The opening performance on Nov. 22 is being planned for formal dress, Hagerman stated. People desiring to assist the production staff are urged to contact Clarke Fairchild at TU

#### **Demos Plan** DeLap Talk

Charles DeLap will be the featured speaker at the Democratic Club meeting on Nov. 20 at 7:30 p.m. in the Shasta Grange Hall. He will explain the duties and functions of the

Klamath County clerk's office. The club has planned a series of meetings, with each fea-turing a speaker who has served as a member of one of the various county offices. The purpose is to acquaint voters with the functions of each of-

fice.
The public is invited to attend any of these meetings. Re-freshments will be served.

### Oregon Legislators Ponder **Expensive Boardman Issue**

man project the beginning of a great industrial complex in the sandy wastelands of northeast. ern Oregon, or is it one of the biggest boundoggles in Oregon sistory'

Lawamkers pondered that question today after being told they would have to pungle up \$522,000 in addition to the \$900. 000 they have already authorized for the project.

In a s p e c i a i message, Gov. Mark Hatfield asked the legislature to pass emergency legislation to clear legal entanglements holding up completion of the project.

"Without such legislation this project may fail," Hatfield

The governor's emergency bill was rushed to the Ways and Means Committee, which was told that if the legal cloud was not cleared, the Boeing Co. ouldn't honor the 77-year lease It signed July 1.

That would leave Oregon with 34,000 acres, for which it has

#### Fee Raise Opposed

SALEM (UPI) - As the University of Oregon band played lustily outside, the State Senate Saturday voted for a collision course with the State Board of Higher Education.

The Senate passed, 18-11, a resolution directing the board to keep tuition fees and admission standards at their present levels throughout the 1963-65 biennium.
The board already has ap-

proved a general plan for an \$8 million adjustment in its budget. Key features of the plan call for a temporary raising of admission qualifications at three institutions for the fall, 1964. term, and for a general increase in tuition next year. The Senate-passed resolution

now goes to the House.

makers would rush in at once to pull the Boardman chestnuts out of the fire. Further hearings were scheduled

Secretary of State Howell Appling Jr. termed the project "like jumping out of an airplane-once you jump, it's too late to change your mind.

"We're past the point of no return. 1 started." wish we had never

But Sam Mallicoat, state planning and development director who has mothered the project since it was launched three years ago, said "Boardman has the potential of becoming a tremendous industrial complex.

Boeing has refused to activate the lease because common school lands, which have special legal status, became involved. Plan Complicated The bill proposed by the gov-

ernor involves a complicated series of legal maneuvers designed to clear any possible legal cloud. The plan -Borrow \$1 million from the

public employes retirement fund and the industrial accident fund. -Pay the Navy \$522,000 cash for clear title to land once owned by the service.

—Pay \$385,000 to buy the

school lands in the tract. -Pay \$92,000 for added ex--Have the common school

fund buy the \$1 million loan. -Have \$50,000 a year of the

\$50,000 annual rental fee go to the School Fund to repay the

-Keep the extra \$10,000 as a 'cushion" to pay for insurance there still are unexploded bombs on the land) and operaion, which will come to about \$2,000 a year, and set aside the remaining \$8000 to pay taxes to Morrow County.

The state has guaranteed the county it would not take the land off the tax rolls.

But under questioning, it was brought out there was no guar-antee the annual tax bill might not surpass the total amount of rent collected.

#### **Probe Planned** Into Education

SALEM (UPD - The Ways and Means Committee recom-mended Friday that the Legislative Fiscal Office hire another analyst and have the Interim Education Committee proceed as planned with a probe into higher education.

The decision was made after Sen. Walter Pearson, D-Portland, charged there was an 'Iron curtain between the legislature and the State Board of Higher Education."

Pearson said "we have to find out what is going on in the system of higher education." He wanted \$35,000 set aside

### **Bill Questions Authority** Of Hatfield To Cut Funds

specifically canceling capital construction projects was submitted by the Ways and Means Committee Friday at the request of House Speaker Clarence Barton, throwing wide open the question of the governor's

Barton told the committee that the governor did not have the constitutional authority to eliminate capital construction items as he proposed in his austerity program. Barton said he, Senate President Ben Musa, Atty. Gen Robert Y. Thornton, and legislative counsel Sam Haley had de-

> governor did not have the authority to make the cuts. Three Ways and Means members, Reps. Beulah Hand, D-Milwaukie: Stafford Hansel, R-Hermiston, and Sidney Leiken. D-Roseburg, voted against submitting the bill.

> termined at a meeting that the

They either oppose some of the proposed cuts, or want the entire question of the governor's allotment authority opened for close review. The measure proposed by Bar-

ton withdraws \$9.7 million from higher education's Building program, \$2.4 million from the poard of control, and \$1.3 million from community colleges. Rep. John Mosser, R-Beaver

ton, who has adamantiv insisted the legislature should lay down rigid guides for Hatfield, gleefully voted to introduce the This will bring the whole

question of our obligation to insist on guides out in the open.

AIRMAN FOR OCTOBER - A.2.C. Bruce A. Mayall, computer maintenance specialist for Keno Air Force Stais presented a \$25 check and a three-day pass by Lt. Col. Martin P. Alger, station commander, upon his selection as Keno Airman of the Month for October. A native of Falls River, Mass., Mayall came to Kano in April, 1962.
