

Boot Camp Slated For Orioles Under New Skipper Hank Bauer

BALTIMORE (UPI) — The Baltimore Orioles may feel like they are in a Marine boot camp when they report for spring training at Miami, Fla., in late February.

Although Hank Bauer tried to sidestep the issue when he was named the Orioles' new manager Tuesday, the flat-nosed ex-Marine sergeant indicated some Baltimore players will be stepped on if they don't behave themselves.

"I'll be tough if I have to be," said the 41-year-old former New York Yankee outfielder who hit the beach with the U.S. Marines at Okinawa in World War II. "It's up to the players. I'll expect 100 per cent from each man. If I don't get it, I'll take steps to get it."

When Billy Hitchcock was released as the Orioles' manager at the end of last season it was reported that the front office felt he had coddled certain players.

All this should change under

Berry Now Rated 6th

NEW YORK (UPI) — Oregon quarterback Bob Berry rated sixth in the nation in total offense in NCAA football individual statistics released here today.

Berry has gained 1,461 yards on 293 plays in nine games. Oregon State quarterback Gordon Queen led in touchdown passes with 16 scoring aeriels in nine games.

End Len Frketch of the Beavers ranked third in punting with a 42.5 yards per punt average on 22 kicks.

In team statistics, Oregon was eighth in total offense with an average of 356.8 yards per game on 3,157 yards in 560 plays.

"Hank has a well earned reputation as a competitor and a winner," said MacPhail in announcing Bauer had signed a one-year contract. "His quali-

Denver Triumphs In 6-1 WHL Breeze

By United Press International
Seattle goalie Claude Dufour may be leading the league in defense, but Denver is not impressed.

A trio of Invaders scored twice each Tuesday night as Denver breezed to a 6-1 victory over Seattle. The win kept the latter club from taking over first place in the tense Western Hockey League race.

Dufour had allowed less than three goals per contest going into Tuesday night's game, and had a pair of shutouts.

But John Sleaver, Gordie Redahl and Rudy Migay each scored twice and two of the goals occurred 20 seconds apart in the second stanza. It was not Dufour's night.

In action tonight, it's league-leading San Francisco at Los Angeles and Vancouver at Portland.

At Portland, one of the league's great veterans will be back in uniform. Gordy Fashaway of the Bucks retired after last season and became the team's chief scout. But he will replace lineman Tom McCarthy, who was called to Toronto because of the death of his father.

Portland also will have defenseman Dallas Smith suited up. Smith has missed the last

League pennant, slipped to seventh place at one stage of the campaign before climbing to fourth at season's end.

Bauer joined the Orioles last season as a coach after managing the Kansas City Athletics for the second half of the 1961 campaign and the entire 1962 season. Actually, Hank quit the A's on the next-to-last day of the 1962 campaign following tiffs with owner Charles O. Finley and General Manager Pat Friday.

"I wasn't ready to manage before. I am now," Bauer confessed.

APPEARANCE SLATED — Jimmy Caras, four-time world billiard champion, will appear at the Cushion Corner in Klamath Falls Thursday, with exhibitions slated for 2 and 7 p.m. The billiard expert will hold demonstrations and meet local talent in matches.

Basketball Leagues Near Start

The Victory League basketball program is in the process of being formed in Klamath Falls and all high school age boys from all schools in the county are invited to participate.

Teams and leagues will be formed, with four games played each night at the Klamath Falls Auditorium two nights per week and a tournament slated at the end of the season.

Last year some 120 boys participated in the program and a larger number is hoped for this year.

Those interested may sign up now at the high school by contacting athletic director Jim Johnson.

Teams will be formed, followed with a week of practice prior to the first week of play which is tentatively slated for the second week in December.

Nine Boston players, paced by Sam Jones with 19 points, hit double figures. Len Chappell scored 27 points for New York, followed by Bill McGill with 23. Cincinnati grabbed the lead from Detroit midway through the first period when Robertson dropped in seven points. Johnny Egan's driving layups drove Detroit to within six points of the lead midway through the third quarter but Cincinnati, led again by Robertson, went on a 23-7 binge that led the game.

Wilt Chamberlain's 40 points led San Francisco's easiest win of the season. Using a devastating fast break, the Warriors roared off to a 34-10 lead in the first period and St. Louis never could make up the deficit.

The defeat narrowed the Hawks' Western Division margin over Los Angeles to a half-game. Bob Pettit's 24 points were high for the Hawks.

Victories Accomplish One Thing For L&C: Lower National Rating

NEW YORK (UPI) — Delaware, a small college power which specializes in outclassing major college opposition, Tuesday ran up the highest point total of the season in the United Press International small college football ratings to strengthen its first-place standing.

The Blue Hens have won eight consecutive games this season without a blemish on their record and boast three easy victories over teams classified in the NCAA's University Division.

Delaware was ranked first by 18 coaches to build up its first solid lead (32 points) over second-ranked Northern Illinois

since the Blue Hens wrested the top position away from the Huskies three weeks ago.

Northern Illinois has completed its regular season but still has a shot at first-place in the Mineral Bowl Thanksgiving Day against eighth-rated Southwest Missouri State in a battle of unbeaten.

However, the Blue Hens could wrap up the small college title with a win over Bucknell this Saturday in their season finale.

The three-team struggle for third continued to juggle the ratings.

Florida A&M wedged past Massachusetts into third and Wittenberg also slipped past the

Redmen filling the No. 4 position vacated by the Florida eleven. Massachusetts, thus settled into fifth but only six points out of third.

San Diego State retained sixth and St. John's (Minn.) maintained its seventh-place rating.

Southwest Missouri climbed two notches to eighth, idle Western Kentucky slipped to ninth and Texas A&I dropped to 10th.

Florida A&M and San Diego State, with two games remaining, and Texas A&I, Western Kentucky and Delaware with one, are the only top 10 teams which have not completed their regular season.

Seven of the teams in the second 10 have perfect records and three of them have finished their season.
