

TIME FOR PICTURES — The holiday season is usually open season for camera bugs, because there are so many subjects. A newly trimmed Christmas tree is always a good subject for a picture. And it's a much better picture if part of the family is grouped near the tree, such as the children shown on the ladder in the picture above. To the right is a warm intimate picture of a happy girl hanging up her stocking on Christmas Eve. A good follow-up photo can be taken early the next morning when she takes down the filled stocking.

LADY BUXTON

Such exquisite manners. Lady Buxton, of course, has made rather a reputation for herself with such goings-on. Who (for instance) gave the world that self-centering one-finger snaf? That great big small-change purse? That high-sprung, trumpeted Key-Trainer? Who indeed. The works work. And keep working. Smoothly, surely, and in such beautiful sets as The Hunt Club, above.

Bread Has Long, Colorful And Varied History

NEW YORK (UPI) — Bread has been used for many things, from taxes to tablecloths. It has been blamed for revolutions, its color regarded as a status symbol, its production and sale severely regulated. The "staff of life" we take for granted at meals and snacktime is fascinating historically.

Americans ate nearly 14.5 billion pounds of bread in 1958, says of Agriculture (USDA) Marketing Service. Most of it was white, wheat or rye, but USDA figures also indicate that such specialty breads as raisin, diet and protein and bread-type rolls are gaining slowly in popularity.

Symbolizes High Rank

Historians say white bread has symbolized high rank from early Roman days. The working class had to settle for dark bread made from coarse grains such as barley and millet.

Historians also say that bread was the daily wage of ancient Egyptians for centuries. Laborers were paid three loaves of bread and two jugs of beer daily during the 20 years it took to build the great pyramid of Pharaoh Cheops. Even the beer was a by-product, made by fermenting water-soaked bread.

Taxes and tribute to officials and priests also were paid in bread in those days, and loaves were placed in tombs to placate the spirits of the dead.

Queen Marie Antoinette is remembered largely for her suggestion that starving Frenchmen eat cake when bread was lacking. Four centuries earlier, hungry French subjects had begged cast-off tablecloths at court because thin layers of bread dough were used when linen wasn't available.

Shortages Spell Disaster

In succeeding centuries, bread shortages were blamed for such disasters as the fall of Rome, the French Revolution and, as recent-

Miller's presents Gifts For a MERRY JEWEL-TIDE

Miller's big main floor jewelry department is just loaded with glittering gifts to make her eyes sparkle. New pins and brooches, earrings, necklaces, pearls, bracelets . . . you'll find the perfect gift here. Select from Eisenberg jewelry, Laguna crystals, boutiques, mirror trays, picture frames and of course beautiful costume jewelry.

JEWEL BOXES

The finest collection we've ever assembled for your Christmas gifting. Many sizes and styles. Some of them are musical. Come in tomorrow, or tomorrow night!
