They'll Do It Every Time By Jimmy Hatlo

Passing by as another motorist gets a ticket, the mossbacks were all for strict enforcement of the traffic laws....

Serves him right! Those speed demons oughta be put away for good! Hope he gets life!!

Yass! It does my heart good to see that he can't talk his way out of this!!

Why aren't you chasing gangsters instead of hounding good, responsible taxpayers? I'm a very close friend of the governor!!

It's the slow drivers who cause accidents! Why us? We were only keeping up with the cars ahead!!

A little farther down the macadam... they get the old "pull over"... now listen to them....

There and a rat to Raymond G. Coffey, 2025 Ashner Rd., Williamsport, Penna.

Priscilla's Pop

Here's your receipt, Mr. Nutchelli!

And here's a lollipop for Priscilla!

Oh, boy! Only 27 more years till our house is paid for!

Will that mean the end of my lollipops??

That guard outside tried out the finger 'oles in me ball.

He was tactfully making sure that was a bowling ball in the bag! Anything they're doubtful about especially leaving this lab, they check!

Oh, I say! Looking for stolen top secret plans and all that rot, eh?

Perhaps, from now on, bring the ball with you, so he can see it! Excuse me, I won't be long!

I'll make a preliminary mold from this one, if I'm to cast the most valuable bowling ball in all history!

Peanuts

Here Snoopy, you can have the last cookie..

If you want to show your appreciation, you may lick my hand.

Bleagh!

Lil Abner

Oh, thank you, Tiny -- fo' helpin' us three tubs o' lard over to mouse heaven.

Whar-chuck-ee! Even th' most marriage-maddened dogpatch gal don't dast set foot!!

Nevah mind th' thank yo' speeches!! Yank me back!!

Glad to!! Soon's we has lunch!! We allus has lunch ev'ry hour, on th' hour!!

Gasoline Alley

You'll be going back tomorrow, Chopper. Better start getting your things together!

Don't leave it all till the last minute!

Oh man! I'm glad you reminded me!

I brought you some things, Norm!

Don't they have a laundry up at school?

It costs money -- and some of the things are broke!

Dick Tracy

Easy! This thing is heavy.

Ump!

They've added a cargo of some kind.

It's starting to snow.

Step on it! Let's get this over with.

Freckles

I explained to Lard what fun it can be....

Y' mean sliding down the snow on a trash can cover?

Yeah....

But I don't think he heard me right!

Our Boarding House

I never believed your story about being middleweight boxing champion, at all. But I can see now you took a lot of punches around the head -- you're wearing furs and it's 75 in here.

There's the bell! That must be the judges!

Bosh, Buster! Obviously the subtleties of promotion are lost on you! This Alaskan outfit merely dramatizes my recipe, "sourdough stew," for the judges. After all, no French restaurant would serve continental cuisine under neon lights!

Blondie

What's for dinner?

Leftover turkey stew.

But yesterday we had leftover turkey hash.

Well, what's wrong with that?

I just don't like leftovers that are left over from leftovers.

Good Dog

Man, you bring enough lunch for a birthday party... less you put the bait in mixed as usual.

Nope... they's canned... tho' some night of escaped into the egg salad... they loves it so... this is a birth-day, ain't it?

Yup... ol' Winnie, the Churchill, name after you!

Just think, long time ago he was twenty-one with the whole rest of his life ahead of him!

Where else would the rest of your life be except ahead of you?

Guess you're right... couldn't be behind you... built kinda funny.

Alley Oop

Y' know, Oscar, I don't think she's any lady friend of oops!

He doesn't look any too happy, does he?

Maybe we'd be doing him a favor if we brought 'im back!

Oh, no! You don't catch me meddling in his affairs!

Yeh! I just wonder what kind of a fieldworker our ol' boy'd be if...?

If all of a sudden he acquired a wife of sorts... and maybe a family!

Hey! Look, spotless... a four leaf clover!

That's pretty unusual, isn't it?

That's not a four leaf clover.

It's a green bug with four wings standing on a toothpick.

Well, that's pretty unusual, too.

Ben Casey

Just a moment, Miss Howard! You said you detest men who kill animals needlessly... so do I!

But you...

I've never killed needlessly. I advise animals too much, but if we don't eliminate enough of them -- humanely --

They'd multiply in such numbers they'd starve to death, or become a threat to man!

But to take people on a safari... that makes a sport of it.

Beetle Bailey

I shouldn't complain, I guess other cuties have their beetle baileys, too.

Wouldn't it be something if all the beetle baileys of the world got together and... no! No! No! Don't think about that!!

It's a theory I've got some guys drink to forget, and some guys...

Little Orphan Annie

You heard th' cops actually say they got th' tip straight from th' "dod" figgerin' to get me knocked off?

Sitting in that garbage can a guy could hear plenty!

Th' "dod" doesn't aim to get replaced as boss o' th' mob? So, if he set you up he'd give status to the cops and th' d.a. and he'd get bigger'n ever in th' mob?

That figger! Why, that double-crossin' stoolie! I shoulda hit him a month ago!

Hey, pal! Where you going? You could need help!

For this job I won't need no help! By tomorrow, max, I'll own this town!

The Equalizer

How about that? He avoids as much physical exertion as possible during his waking hours, but by the looks of things he must have had quite a workout in his sleep last night!

Yeah... maybe that's nature's way of fighting back! During the day it's a case of mind over matter, but during the night it's a case of matter gettin' in its licks when the mind can't do anythin' about it!

Tricks Developed

By OSWALD JACOBY

With 15 high card points and three aces South had an opening no trump bid, but he chose to open one heart on account of the worthless doubleton in spades.

After the one spade response he rebid to two hearts because he thought that would give his partner more encouragement than a mere one no trump re-bid.

North jumped to the heart game and West opened the jack of clubs. South played dummy's queen since West might have led from king-jack-ten. East's king forced South's ace and South saw that his only play to make the contract would be to develop three spade tricks.

He could not afford to draw trumps right away so he led the four of spades at trick two. West played the 10 and dummy won the trick with the queen. A trump to his ace put South in again for a second spade lead and West had to take his ace. West cashed his ten and nine of clubs, and led the jack of diamonds. South played dummy's queen, East the king, and South won with the ace.

South's next play was the queen of trumps. His plan was to hold the lead and then get to dummy with the king in the hope that spades would break.

However, West produced the 10 of trumps whereupon South had an extra entry to dummy.

He overtook his queen with dummy's king; ruffed the try of spades with the jack of trumps; returned to dummy with the nine of trumps and discarded his two remaining diamonds on the last two spades.

Q--The bidding has been:

1♠	West	North	East

5NT	Pass	6♥	Pass

You, South, hold:

♠ A2 ♣ AKJ5 ♦ 3 ♠ AQJ987

What do you do now?

A--Pass. If your partner held two kings, including the king of clubs, and the queen of diamonds in addition to his ace he should have bid seven after you guaranteed all four aces by your five no-trump bid.
