WHAT IS A
CUSTOMER?
A Customer...
is the most important person
ever in our office... in person
or by mail.
A Customer...
is not dependent on us... we
are dependent on him.
A Customer...
is not an outsider to our
business... he is part of it.
A Customer...
is not a cold statistic... he
is a flesh-and-blood human
being with feelings and
emotions like your own, and
with business biases and
prejudices.
A Customer...
is not some one to argue or
match wits with... Nobody
ever won an argument with
a customer.
A Customer...
is a person who brings us
his wants. It is our job to
handle them profitably to
him and to ourselves.

WHAT IS A
CUSTOMER?
A Customer...
is the most important person
ever in our office... in person
or by mail.
A Customer...
is not dependent on us... we
are dependent on him.
A Customer...
is not an outsider to our
business... he is part of it.
A Customer...
is not a cold statistic... he
is a flesh-and-blood human
being with feelings and
emotions like your own, and
with business biases and
prejudices.
A Customer...
is not some one to argue or
match wits with... Nobody
ever won an argument with
a customer.
A Customer...
is a person who brings us
his wants. It is our job to
handle them profitably to
him and to ourselves.
