

### Pineapple Salad For Holiday Fare

(Continued From Page 1C)

Dissolve gelatin in hot water. Stir in undrained crushed pineapple, salt, mustard and lemon juice. Chill until mixture begins to thicken. Fold in cheese and stiffly beaten cream. Turn into 8-cup mold. Chill firm. Unmold. Garnish with well drained pineapple slices with edges lightly rolled in paprika.

Makes 8 to 10 servings.  
**PINEAPPLE HOLIDAY STAR SALAD**  
 2 envelopes unflavored gelatin  
 1/4 cup sugar  
 1 (13 1/2-ounce) can pineapple tidbits  
 1 cup bottled cranberry juice cocktail  
 1/2 cup lemon juice  
 1 (7-ounce) bottle lemon-lime carbonated beverage

age  
 Red food coloring  
 1 cup Tokay grapes, halved and seeded  
 1 small pear, peeled and diced  
 1/2 cup finely chopped celery

Combine gelatin and sugar. Add syrup drained from pineapple and cranberry juice cocktail. Heat, stirring, until gelatin is completely dissolved. Remove from heat. Stir in lemon juice. Cool. Add carbonated beverage and red food coloring to give desired shade. Chill until consistency of unbeaten egg white. Fold in drained pineapple, grapes, pear and celery. Turn into 5 or 6 cup mold. Chill firm. Unmold. Garnish as desired with frosted grapes. Makes 6 to 8 servings.

**SPICY FRUIT SAUCE**  
 For a spicy winter meat sauce, heat canned fruit cocktail in its syrup with a diced apple, a dash each of ground cinnamon and ground cloves and equal amounts brown sugar and vinegar to taste. Thicken with cornstarch blended with a little cold water. Remove from heat; stir in a pat of butter or margarine. Serve hot.

### Christmas Capers

(Continued From Page 4C)

cake left over from holiday feasting. Crumble the cake and moisten slightly with orange or pineapple juice. Layer with slightly sweetened whipped cream or softened ice cream—flavored with rum or brandy extract—in small dessert or sherbet dishes. Top with more whipped cream and a sprinkling of chopped nuts.

Here's an extravagantly beautiful Christmas cake. Prepare a basic white or yellow cake, adding one teaspoon vanilla extract and 1/4 teaspoon black walnut flavoring to the batter. Bake in round pans. Split the layers and fill with fluffy white frosting with raisins and chopped walnuts folded in. Swirl plain frosting over the sides and top. Then ring the top of the cake with a Della Robbia wreath of marzipan candy fruits.

During the busy holiday season your family's apt to skip

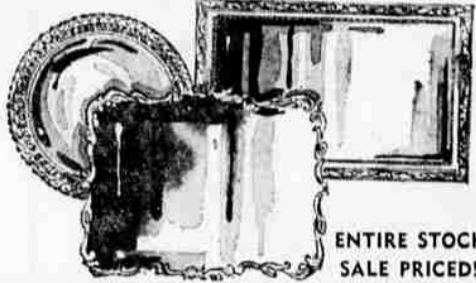

meals. Keep nourishing snack foods handy to supplement regular meals. Sandwiches prepared with enriched or whole grain breads and spread with protein-rich fillings of meat, fish, cheese, eggs or peanut butter are popular, quick-to-eat and highly nutritious choices.

Christmas will last throughout the entire winter when you have an assortment of holiday yeast breads in the freezer. Wrap the cooled, uniced and undecorated breads in aluminum foil, labeling plainly. Most yeast breads can be stored in the freezer up to three months. Thaw and warm the breads in a moderate oven (350 degrees F.) for about 20 minutes. Then ice or decorate them as desired.

#### HONEY-DATE TOPPING

Pit and coarsely chop fresh California dates. Combine with honey and bring to simmering point. Serve warm over rice pudding or apricot cobbler.
