

A NEW TRICK — Here are snowflakes you'll be glad to have indoors. Little Snowflake Waffle Cookies are not-too-sweet-cookies to bake on a waffle iron.

Snowflake Waffle Cookies

When is a waffle not a waffle? When it's a cookie, of course! These unusual Snowflake Waffle Cookies, adapted from a century-old southern recipe called Plunkets, come to you just in time for the Christmas season. Prepare them quickly like cake batter and drop by spoonfuls onto a waffle iron to bake.

Your children will be intrigued with these tiny "waffles" lightly flavored with lemon rind and juice and sprinkled with confectioners' sugar. And you'll find a handy snack to give your youngsters and their friends when they come in after a busy day of play.

Best of all, you know the cookies help supplement their regular meals with some of the nutrients they need everyday to maintain their sparkling good health and high spirits. As in all your home baking, prepare Snowflake Waffle Cookies with enriched flour. Enriched flour contributes three essential B-vitamins and the mineral iron to your baking and to all the commercially prepared flour products you buy.

Before all the Snowflake Waffle Cookies disappear, save some and store in a tightly closed cookie jar or container. These cookies are ideal whenever a not-too-sweet snack or dessert is in order. Try them with ice cream.
