# Postmen Claim Dogs Biting Less - But Harder

MEMPHIS, Tenn. (UPI) — A post office safety officer here reported today that less mailmen were bitten by dogs in 1963, but the bites were more severe.

He blamed the increased ferocity on "canine neurosis."

Most suburban homes do not have fences, explained M. E. Ackerman of the Memphis Post Office, and families without fences usually chain their dogs. This, he said, is "very bad for a dog's temper."

"The dog goes out in the morning. He's tied up. He can only move a few feet. Nowhere to use his energy."

"When the postman arrives, the dog is mighty bad tempered, aching to sink his teeth into someone."

Postmen may beat the problem yet with the help of the

U.S. Post Office Department in Washington. Ackerman said an experimental "spray gun" which immobilizes dogs with a harmless gas is being developed to defend himself. Ackerman said, since "the dogs that attack are the ones you don't usually see."

### Modoc Band To Display New Uniforms At Game

ALTURAS — Complete with spectacular new uniforms, the Modoc Union High School marching band will leave for San Francisco Dec. 27 to participate in the annual East-West Shrine Football game on Dec. 28, according to principal Marks Smith.

The 50-piece Modoc High band under the direction of teacher, Mrs. Shirley Oxley, will travel by bus to San Francisco where reservations have been made for the band members at the Mann Hotel.

The Modoc band will participate with 40 high school bands in the pre-game pageant. They are scheduled as the second band unit to come out of the tunnel onto the football field. They will also play for the half-time activities.

At half-time the MUHS band will be stationed near the goal posts at the west end of the stadium. Modoc has been assigned a seating section at the west end, Smith reported.

Accompanying the band members and acting as supervisors will be Mr. and Mrs. Marks Smith, Mr. and Mrs. Jack Oxley, Mr. and Mrs. Hilton Cundiff and Sigurd Sonnevill.

The Modoc High School band uniforms are scheduled to arrive this week from the manufacturers. The students in the band have earned the money for their handsome attire by a sustained money raising drive over the past two years. They have also raised their own traveling expense money for the trip to San Francisco.

### PSC To Train 50 Volunteers

PORTLAND (UPI) — The Peace Corps Monday gave Portland State College approval to train about 50 volunteers for service in Iran.

The \$120,000 federally-supported program will begin Jan. 31 and end April 10, according to the project officer, Dr. John Dart, a professor of geography.
