

Does your health insurance provide "GROCERY BILL" benefits?

Most families would have to answer "no" to this question. Is your family among them? If you have only a hospital-surgical policy, then you have no "grocery bill" benefits. It takes a special kind of policy like Mutual of Omaha's "Paycheck Plus" to provide "grocery bill" benefits.

"Paycheck Plus" provides up to
\$500.00 a month
regular cash income
Plus up to **\$10,000.00**
for medical bills!

Income protection for the "breadwinner"!

You select the amount you'll need each month (from \$50 to \$500) to take care of the grocery bill and other living expenses when Dad is unable to work because of sickness or accident. Lifetime Benefits Feature available. These Mutual of Omaha "paychecks" are tax-free to spend as you wish—to buy groceries, to pay rent, the utilities, even to pay the premiums for your hospital-surgical policy. These "paycheck" benefits are payable for disabilities that start before retirement or age 65. Special benefits for disabilities starting after retirement or age 65.

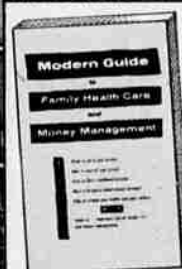

Helps pay doctor, hospital, medical bills for the whole family!

Yes, for you and every member of your family the "Paycheck Plus" plan also provides cash to help pay, literally, almost all hospital, specialist, Reg-

istered Nurse (R.N.) service, x-ray, drug, special treatment costs—and *much more*—as fully explained in your policy. How is this low-cost protection possible? Simply because of the share-the-risk deductible feature.

Guaranteed renewable for life!

This policy is yours for the rest of your life regardless of age, health or number of benefits received, and you can never be singled out for an individual premium increase. All policies of this form issued to persons of your class in your state would have to be changed before yours could be.
