# Kentucky Returns To Familiar Role: Nation's No. 1 Basketball Quintet

NEW YORK (UPI) — The Kentucky Wildcats climbed back to a familiar position today—one they haven't occupied for nearly five years—the nation's No. 1 collegiate basketball team in the United Press International coaches' ratings.

Coach Adolph Rupp, whose Wildcats dominated the college basketball scene in the '40s and '50s, haven't been in the top spot since Feb. 9, 1959. Today, Kentucky edged unbeaten UCLA, winner of the Los Angeles Classic, by only six rating points to gain first place.

The Wildcats were ranked first by 19 of the 35 coaches on the UPI rating board, 12 rate UCLA No. 1, Loyola of Chicago

(No. 3) received two ballots and Michigan (No. 4) and Davidson (No. 7) each were named on one.

Loyola had held the No. 1 ranking through the first five weeks of the season until it was upended by 11111111-regarded Georgetown of Washington, D.C., in the first round of the Quaker City Tournament Friday.

Once-beaten Cincinnati held fifth place; Vanderbilt, with nine consecutive wins remained sixth and undefeated Davidson moved up one position to seventh.

Oregon State ranked eighth; Duke, No. 9, and Villanova, No. 10, round out the top 10.

The ratings are based on games through Saturday, Dec. 28.

Wichita, winner of the All-College Tourney, advanced to 11th; unbeaten Stanford jumped from 19th to 12th and Minnesota, a finalist in the Holiday Festival at New York advanced to 13th.

Kansas State, Texas Western and St. Bonaventure followed in order 14-15-16, New York University and Utah tied for 17th and Oklahoma State and North Carolina deadlocked for 19th.

Prospects offered no hope of a settlement today for a wildcat strike which hit four of the nation's college holiday basketball tournaments Monday night when Kentucky, Davidson, Villanova, and Kansas State walked off the court with impressive victories.

Unbeaten Kentucky, the top cat of the college basketball world, mauled Loyola of New Orleans, 86-64, in the opening round of the Sugar Bowl Tournament. Cotton Nash scored 23 points as the No. 1 ranked Wildcats clawed their way to victory number nine.

Five hunting seasons will close, but year around fishing begins for the first time on four major lakes. In addition, an experimental "fishing for fun" area opens up on the Kings River in Fresno County.

Hunting seasons drawing to a close are for quail, chukars, tree squirrels, cottontail rabbits and bear. So today is the last chance to get in on what the state says is the best upland game season "in several years."

# Tribe May Lose Key

SAN FRANCISCO (UPI) — Tom Dose, Stanford's All-American candidate, may miss Stanford's Big Six opening series this weekend against Southern California.

# TEEN-AGE TENPINNER

By JUDY AUDSLEY (Brunswick Advisory Staff) Written for NEA

Dating is most important to teen-agers, and I can't imagine a better way to get together than bowling.

Bowling is casual, which I'm sure appeals to most people in my age group. And it's economical, which is particularly important if your date happens to be struggling along on a small allowance, or what he has left over after working his way through school.

Two or three games, plus a snack, isn't going to put much of a dent in any date's pocketbook. Bowling costs about 50 cents a game. Six games, the average bowled by most people in an evening, will cost about \$3 — and with automatic pinsetters there is no tipping of the pin boy.

Most bowling centers can serve you anything from sandwiches to steaks—and at fair prices.

Not only is a bowling date economical and enjoyable, it can give people a chance to know each other well. If a date shapes up well on the lanes, it's more than likely that he or she will prove equally attractive in other respects.

# Wilt Leads NBA Stats

NEW YORK (UPI) — Wilt Chamberlain held the lead in three National Basketball Association departments today — scoring, rebounds and field goal percentage.

Chamberlain has played in 32 games for the San Francisco Warriors and has scored 1,096 points for a 34.3 average. Oscar Robertson of the Cincinnati Royals is second in scoring with 1,044 points in 36 games (29.0).

Bob Pettit of the St. Louis Hawks has 1,043 points in 38 games (27.4) and is followed by Jerry West of the Los Angeles Lakers who has 1,039 points in 35 games for a 29.7 average, the weekly NBA statistics disclosed.

Chamberlain also leads in field goal percentage with .325 and in rebounding with 711. Jerry Lucas of Cincinnati is runnerup in field goal percentage with a 9.8 average followed by Guy Rodgers of San Francisco (7).

# Washington Pair Lead

LOS ANGELES (UPI) — Pinky Stevenson of Long Beach, and Ken Still of Tacoma, Wash., headed the field of pro qualifiers for the \$55,000 Los Angeles open when they fired identical 71s Monday.

However, three amateurs bettered their score while competing for the nine spots open to them in the tournament. Bud Bradley, Dennis Moyer and Rick Rhoades led the amateurs with 70s on the Brentwood course.

The pros played their round on the difficult Los Angeles Country Club north course.

Qualifying was over six courses with 411 golfers vying for 46 spots in the tournament. There were 114 players exempt from qualifying.

# Pistons Down SF In Overtime Tilt

By United Press International

Detroit 114 San Fran. 102 (O.T.)

**Tuesday's Games**

San Francisco at New York

St. Louis at Los Angeles

It's been a tough old year for the Detroit Pistons but they at least have reason to hope today for better things in the new year.

The Pistons are winding up 1963 with an 8-23 record that is the poorest in the National Basketball Association. But they beat the San Francisco Warriors, 114-102, in overtime Monday in their final game of '63 and are now only two games behind the fourth-place Baltimore Bullets in the Western Division race.

Bob Ferry sank the winning field goal with three seconds left in overtime enabling the Pistons to end a five-game losing streak. Wilt Chamberlain, game high scorer with 47 points, tied the game at the end of regulation time with a field goal as the buzzer sounded.

Bailey Howell scored six points in overtime and led the Pistons for the game with 23 points.
