

1963 Klamath County Sports' World Counts Success

Continued from Page 11-A

TENNIS

Numerous net tournaments called Klamath Falls and area netters during 1963 and top finishes were recorded.

Beverly Jennings and Harold

BEVERLY JENNINGS
... top net year

Tice took top honors in the Eugene Tennis Club tourney in July.

Miss Jennings defeated another Klamath Falls netter, Linda Brooks, in the 14 and under singles action for the title, 6-2, 6-1.

Tice defeated Kirk Kirkpatrick of Corvallis for the boys' singles crown, in the same age group, 4-6, 7-5, 6-3.

Tice and Miss Brooks also

won the sportsman's title.

The 5th annual Willamette Valley Tournament at Corvallis called local netters, with Tice and Miss Jennings again scoring singles wins.

Tice defeated Randy King of Portland in the 14 and under class, 2-6, 6-2, 6-2 and Miss Jennings defeated Cindy Love of Corvallis for the girls' title, 6-1, 6-1.

The Larsen Park Championship Open Tournament at Yamhill, Wash., drew local court stars with Sue Jennings winning the women's singles and Beverly Jennings the 14 and under girls' singles. Tice reached the finals of the boys' singles but was defeated.

Beverly Jennings and Cathy Hawk of Yalima teamed to win the doubles in their age group of this tourney.

The 19th annual Herald and News Tennis Tournament was held at Moore Park, with second seeded Harry Doyle of Portland defeating the 1961 champion Jimmy Jackson of Portland for the singles title in straight sets, 6-2, 6-2.

The women's singles title was taken by Michele Nance of Eureka as she defeated Sherry Sevall of Roseburg, 2-6, 8-6, 6-4.

Teddy Jackson of Portland captured the junior men's singles title downing Bruce Middleton of Redding, 6-4, 2-6, 6-2.

The junior girls' singles crown was taken by Miss Sevall of Roseburg with a straight set victory over Klamath Falls' Beverly Jennings, 6-3, 6-0.

The boys' 16 and under title was won by Steve Miller of Crescent City, Calif., as he defeated Bruce Middleton, 8-6, 6-4.

Jackson and Doyle came back to team up for the men's doubles crown of the tournament as they defeated Ellis Williamson and Mike Moore, both of Eureka, 6-3, 6-4.

And Jackson and Gerie Brooks of Klamath Falls teamed to win the mixed doubles action with a victory

over the duo of Mike Moore of Eureka and Michele Nance of Eureka, 6-3, 6-3.

The junior men's doubles crown was taken by a Redding team of Bruce Middleton and Doug Chickering over Teddy Jackson and Wayne Roberts, 6-4, 6-2.

In the Ashland Invitational tournament Sue Jennings of Klamath Falls defeated Gerie Brooks also of Klamath Falls for the women's singles crown, 6-2, 6-3. And the men's singles title in this tourney was taken by Jimmy Jackson with a win over Dick Hallack of Red Bluff, 6-1, 6-1.

In Klamath Falls Pelican prep action, Larry Tice won the Southern Conference singles title with a win over Dan Sprinkle of Grants Pass, 6-1, 6-1. Nick Rasmussen of Medford, 6-0, 6-2 and defending champion Lee Wimberly of Medford, 6-3, 4-6, 6-4.

Tice advanced to the state tournament where he first lost to Charles Alloo of Wilson, 6-3, 6-0; defeated Beaverton's entry, 6-2, 4-6, 6-0 and finally bowed out on a loss to Hillsboro's John Kinney, 6-3, 6-0.

Wilson High School won the state crown, with Medford and North Salem tied for second.

TRACK

The team effort of the Bonanza Antlers, the individual work of Klamath Falls' All-American javelin man and national prep record holder and the storied action of Oregon Tech's "Sturdy Six" caught the eye of county track fans in 1963.

The Antlers served notice of their cinder ability as they walked off with the county meet at Henley second place 74 points to 49 for the second place Gilchrist Grizzlies. Third was Malin with 31 points, then came Chiloquin with 29, Bly with 13

and Merrill with eight points.

This victory was matched in the District 5-B meet as the Antlers won the title with 136 points followed again by a strong Gilchrist team with 106 points. Then in order it was Chiloquin 73, Malin 48, Prospect 24, Bly 20, Merrill 17, and Paisley 14.

The next step for Bonanza was the state meet and a third place finish—just one half point out of second behind Camas Valley. Corbett captured the state title.

The work of Walt Smith of the Pelicans captured the eye

WALT SMITH
... shatters mark

of the track bugs in a national mark and gave him a national mark in the prep javelin world.

He hit for 214-4/4 to hold the "best" in the state through most of the track season until the Pelicans entered the District 6-A-1 carnival.

In this the Pelican spearman let loose with a heavy carrying 220-1/2 to shatter the existing dis-

trict mark to 200-3 set by Crater's John Burns.

The Pelicans, as a team, finished the district test fourth with 49 1/2 points as Medford won the title with 151 points. Grants Pass second with 148 1/2 and Crater third with 49 1/2. Ashland was last with 37 1/2 points.

Despite Smith's outstanding record - setting heave in the district meet, his state meet effort fell far below his best as he won the state title with a toss of 193-4 and this mark gained in the preliminaries.

The Pelicans ended the state show with 10 points, while Jefferson of Portland won the title with 46 points, North Eugene second with 41 and Grants Pass third with 35 points.

"The work of Oregon Tech's 'Sturdy Six' - so named because this number made up the Owl track roster - kept track fans watching closely.

This group missed a third place finish in the Oregon Collegiate Conference meet by just one point, as Southern Oregon took the title with 148 points, Portland State second with 115, Eastern Oregon third with 114 and Oregon Tech fourth with 113. Oregon College ran fifth with 100 points.

For the first time in the history of the state meet, the Henley Hornets failed to qualify a man for the state show in 1963. Rogue River won both the sub-District 6-A-2 meet and the district test, with the Hornets finishing sixth in the sub-district meet. Lakeview gained a fifth place finish.

Rogue River went on to take second in the state, with the Myrtle Creek Vikings capturing the state A-2 title.

In other track news the formation of the Klamath Basin Athletic Association brought hundreds of young track people to Modoc Field during the summer, with the participants competing in numerous meets at home and on the road.

The KBAA participated in the Emerald Empire Games at Eugene and brought home 14 first place finishes and set two new Emerald Empire Athletic Association records.

Leah Taylor in the 6 and under division for girls won the 220-yard dash in 41.1, breaking the EEAA record of 44.5.

Janis Narramore won the 15 and older broad jump with a leap of 15-1, which shattered the EEAA record of 12-9/8.

On July 27 an All-Corners meet was conducted by the KBAA at Modoc Field, with some 200 contestants and 22 records were broken.

The Junior Olympics was entered by KBAA runners in Portland and 29 medals won by the 35 competing.

It marked the first time a local team had entered this meet.

The KBAA, headed up by president George Demetras, completed its first year and brought welcomed summertime track and field competition to hundreds of area boys and girls.

In other news, Ed Cecil won the first annual Oregon Tech Decathlon with 4,307 points, with Bob Bryant second with 4,062 points.

And on March 15, Bob Scholl won the first annual Marathon Run over the 3.8-mile Moore Park course in 19:58. Dave Vaagen was second. Both were members of the Klamath Falls Pelican cross country team.

TRAP SHOOTING

Many local shoots in the clay-pigeon man in business during 1963 as they do each year, with the Klamath Gun Club at Wocus Flats the site of most.

Bill Davis topped the local shooting of one such shoot with a score of 24 of 25 birds on the 16-yard course and in another Earl Kent won the A.V. Moore Handicap Trophy by

hitting 46 of 50 targets to lead a field of 15.

Jim Wright and George Cunha both hit 48 of 50 for a leg on the Nelson Reed Handicap Trophy and in a shoot-off Wright was the winner.

Kent also won a leg on the E. H. Balster Memorial Award Trophy.

In April the spring tournament was conducted by the Klamath Club, with E. H. Caboon of Klamath Falls winning the Class A; Eugene Hunt of Medford taking the Class B shooting; Paul Zahniser of Klamath Falls winning the Class C shooting and Paul Bellm Sr. of Klamath Falls topping the Class D.

VOLLEYBALL

The Klamath Falls Parks and Recreation Department volleyball program found eight teams competing in the league, with the Oregon Food team winning the league title.

The team, composed of DeLance Duncan, Jim Johnson, Wade Patterson, Bruce Patterson, Bob Johnson, Jack Peterson and Al Keck, compiled a record of 7-0 in winning the title.

A victory over Great West Life by scores of 10-15, 15-12 and 13-12 gave the Oregon Food team the title. Great West Life ended with a 6-1 record.

ROLLER SKATING

The Skateland Wheels Roller hockey team competed in the national finals in Portland in July, winning the right to represent this area by winning

the Northwest Regional Tourney.

In the regionals, the Skateland team was undefeated and won 10 straight contests.

In the national finals the first loss was inflicted by the Brownsville, Tex., team by a 7-1 score and this setback was followed by a victory over San Francisco, 2-1.

The team eventually won third place with a 10-0 victory over Longview, Wash.

In November the team competed in the Oakridge meet taking first place.

Two youngsters gained first place finishes in the 8 and under division as 5-year-old Kay Miller was first in the girls' division and 6-year-old Jerry Huppels was first in the boys' competition.

SKIING

Jean Saubert of Lakeview and a student at Oregon State University continued to give skiing enthusiasts conversation items with many successful performances.

She gained second in the competition in the National Alpine Ski Championships at Mt. Alyeska, Alaska, with a time of 2:24.2. She was second to Germany's Barbi Heunberger, with a winning time of 2:22.9.

And at Anchorage, Alaska, she was third in the National Finals of the slalom. On June 14, she was named to the 1964 U.S. Olympic team.

WRESTLING

The Klamath Falls Pelicans, long a state power in this sport, proved no exception to this rule

in 1963 as DeLance Duncan's Pels entered the state tournament at Corvallis and nearly captured another state title.

In a crazy, mixed up final day, the Lebanon Warriors were judged the state titlist with 44 points, with Grants Pass second with 43 and Klamath Falls third with 42.

A day later a recount sub-

CHUCK MILANOVICH
... first Hornet title

tracted a point from the Lebanon total and the Warriors and the Cavemen ruled co-champs with 43 points each.

In gaining the state meet, the Pels had finished second in the district test to the Cavemen, with Grants Pass scoring 40 points and the Pelicans 30. Medford was third with 24 and Ashland and Crater followed.

Bob Ewing won the state title in the 191-pound class.

Later Coach Duncan was named as coach of the Oregon prep grappling team to tour Japan, with Ewing earning a position on this select team.

Henley's Hornets were fourth in the district meet behind Glendale with 107 points, Oak-

land with 92, Glide with 87 and Henley with 85.

Three Hornets qualified for the state mat show as Phil Hale, Chuck Milanovich and Fred Rodriguez all made the big journey.

Milanovich brought home the first individual mat crown by a Henley grappler in the history of the sport at the school as he won the 140-pound state title.

Rodriguez gained a third place in the 115-pound class.

The Oregon Tech mat team gained third place in the Oregon Collegiate Conference meet, missing second by a single point. Portland State took the title.

The Owls compiled a losing 9-1 dual-match record, losing only to Portland State.

The AAU Far West Tournament at San Francisco drew local grapplers, with the Owl team placing fourth in the team totals.

Milo Crumrine won the 114-pound championship for Oregon Tech and Pelican assistant coach Lee Allen captured the 138-pound title.

The Klamath Falls freshman team won the Southern Conference freshman title with a 68-57 victory over McLoughlin Junior High of Medford. Grants Pass was third with 68 points.

It was a pin victory posted by Glen Miller in 4:30 of his 168-pound match giving the baby Pels their victory.

The visit to the state by the select group of Japanese wrestlers was high on the list of outstanding sports attractions in the state during 1963 and the visitors appeared at most of the larger high schools in the state and won all meetings.

At Klamath Falls, a 27-3 victory was recorded by the Japanese.
