Mistakes Are Free

By OSWALD JACOBY
 Newspaper Enterprise Assn.

South's jump to three no-trump is not recommended. His hand is worth a no-trump bid, but two no-trump is sufficient.

I was sitting South and it was close to the end of a long session. I had intended to bid two no-trump, but the number three came out of my mouth and I was at least one trick too high.

On the other hand, I did have something going for me. My opponents would think that I had a better hand than I did.

Sometimes mistakes don't cost you anything. Had I bid two no-trump the hand would have played there. My partner who had opened a minimum would have passed and we would not have reached the game that I made with the friendly aid of both East and West.

West started with the unfriendly lead of the queen of diamonds. I ducked in dummy and East made the first error by signaling with the six.

West shifted to the three of hearts and the jack, king and ace were played. I led the 10 of diamonds. West dropped the seven of spades and I played low from dummy.

Now came the next bit of help. East took his jack and returned the king. West completed his spade signal by dropping the three. I took dummy's ace of diamonds and returned the nine. East won with the nine and West continued the friendship campaign by discarding a heart.

That gave me nine tricks because I now had four hearts in addition to two diamonds, two clubs and the ace of spades.

Chou Visits Only Ally In Europe

VIENNA, Austria (UPI)—Communist Chinese Premier Chou En-lai is engaged in high-level policy talks with leaders of Albania, China's only European ally in the Sino-Soviet dispute within the Communist camp, diplomatic sources said today.

Chou began the third day of his visit to Albania today. Reports from Radio Tirana in the Albanian capital have concentrated on the ceremonial and goodwill aspects of the tour, without mentioning any working sessions.

But sources in Vienna said they believe the Chinese premier is using the visit for important conferences with Albanian Communist leader Enver Hoxha and Premier Mehmet Shehu.

Albania has consistently stood by China in its ideological dispute with the Soviet Union, while the remaining Communist nations of Eastern Europe have supported Soviet Premier Nikita S. Khrushchev.

Thousands of Albanians cheered Chou's motorcade Wednesday as he drove through the city to lay a wreath on the monument to Albania's war dead, according to Radio Tirana. The monument commemorates the men who died in Albania's "war of independence"—the action in which Italian and German armies were ousted in 1944, ending a five-year occupation.

The radio also reported a speech addressed to Chou by Premier Shehu which emphasized Albania's loyalty to China in the Communist split.

 What do you do?
 A—Pass. Your partner has pushed them to three hearts. You should have a good chance to beat this contract, but a double would be bad percentage.

TODAY'S QUESTION
 Instead of bidding one spade after your double your partner has jumped to two spades. What do you do now?
