Tom Enright, executive secretary of the association, from Salem, will be the guest speaker for the evening. It will be Enright's first appearance in the Klamath Falls area. Enright will speak about several of the state legislative programs for this year.

Some topics of interest that will be discussed are proposed participation in insurance programs for state employees; changes in retirement laws, and collective bargaining for public employees. Several questions grew out of the legislation passed in the last session legislative regarding this issue.
