Senator Plans Police Bill

SALEM (UPI)—Sen. Al Flegel, D-Roseburg, announced today he would submit a separate bill to remove State Police from the list of statutory salaries.

Flegel said State Police deserved a pay raise, and felt it best to submit a separate bill for them.

Flegel's move would allow State Police to get raises while a controversy over salaries for elected officials and department heads was unsettled.

Train Smashes Into Station

TUCUMAN, Argentina (UPI)—A 19-car passenger train with defective brakes smashed through a railway station here Monday and ran into the street outside.

The freak accident caused extensive damage to the train and that station, but the only casualty was the conductor. He was hurt when he jumped off the train just before it hit.

According to the National Geographic Society, people in muddy boots clambered over silk chairs at the White House, china crashed and ladies fainted in the crush.
