Over the GARDEN DATE

JUNIPER GARDEN CLUB Twelve members of the Juniper Garden Club met at the home of Mrs. Scott McKendree, 1885 Del Moro, Jan. 18. The hostess and her mother, Mrs. Edith Delap, co-hostesses for the occasion, served dessert and coffee at one o'clock. The group, under the direction of the president, Mrs. Jack Holt, found several interesting topics to discuss.

The club decided to volunteer to act as judges in the Bird Scrapbook contest. The services of the club have been offered to Mrs. Glenn Moore of Keno, chairman of birds for Klamath District No. 12 in the discussion on the subject of birds. Mrs. Glenn Bower reported that she had been feeding mountain quail and pheasant at her home on Lakeshore Drive. Mrs. McKendree said that a kinglet had been frequenting the feeding station in her garden. Mrs. Holt who lives high on the hillside in the Loma Linda district described how a hawk struck the glass door of her home with sufficient force to knock the prey from its claws.

An essay on rock-garden succulents was read by the horticulture chairman, Mrs. Lloyd Seely. It was discussed not only from the point of view of the information contained but whether it would be suitable for entry in the district horticulture contest. The club decided in favor of entering it. The subject for discussion for the February meeting will be pruning. Members Lola Van Scoyk, Opal Ferguson and Yvonne Parlow will be on the horticulture committee for the occasion.

Besides the excellent arrangements which the hostess had provided, Mrs. Glenn Ennam presented a very attractive arrangement featuring an unusual piece of weathered wood, glycerine leaves and a pair of ceramic baby birds. It was pointed out that ceramic figurines sometimes have too much gloss and thereby cause an entry to be downgraded in a flower show.

Among the members it was reported that members June Cole, 194 Huron and Eleanor Rotch, 318 Jefferson, have been ill but are recovering. Member Lita Carlson, 838 Schilling Circle, will be leaving for Formosa after school is over. Her husband will be stationed there for two years.

Mrs. E. W. Carter, 1204 Eldorado, will be the hostess for the February meeting.

Top among spring millinery designs are large-brimmed saillors with rounded shallow crowns and a new silhouette inspired by a nun's coil.

MERRILL — The Merrill Library Club met last at the home of Shirley Haskins to make plans for opening the library for one more day each week. The library will now be open from 2 until 4:30 p.m. each Monday, Wednesday and Friday. New books are brought from the county library in Klamath Falls once a month.

The next meeting of the club will be Feb. 4 at 2 p.m. at the home of Mrs. Melvin Bowman. All interested women are invited to attend.
