

Aida Zurita Recent Bride

Of interest here is the news of the recent marriage of Aida Zurita, daughter of Mr. and Mrs. George Zurita of Mexico City, and Frank F. Messersmith of Los Angeles. The ceremony took place in the First Presbyterian Church in San Diego where the bridegroom's parents, Mr. and Mrs. L. J. Messersmith live.

The bride was the first foreign exchange student to study at Klamath Union High School. She lived three years with Mr. and Mrs. Al Backes who represented her parents at her wedding.

Escorted to the altar by Al Backes, the bride wore a princess style gown of satin peau de soie fashioned with scoop neckline and elbow length sleeves of Venetian lace. The same lace trimmed the chapel train. A headpiece of crystal pearlized flowers held the short veil and she carried a cascade bouquet of white roses and stephanotis centered with a white orchid.

Attendants for the bridal party were his brother and sister-in-law, Mr. and Mrs. James Messersmith of San Diego.

After the ceremony a wedding reception was held in the church parlors.

The new Mrs. Messersmith was graduated from KUHS in 1962 after which she trained for and was employed as a hostess on the Mexican Airlines. The bridegroom is a graduate of Oregon State University and served as captain in the Marine Corps. Presently he works as a space engineer for the NASA in Los Angeles. The newlyweds are living at 1322 S. Bundy Drive in Los Angeles.

NEWLYWEDS — Recently married in San Diego were the former Aida Zurita, daughter of Mr. and Mrs. George Zurita, Mexico City, and Frank F. Messersmith, Los Angeles. The bride studied at KUHS as a foreign exchange student and lived with Mr. and Mrs. Al Backes.

California Girl Bride Of Byron Bruce Bortis

In a recent wedding ceremony at St. Monica's Catholic Church in Santa Monica, Karen Kay Kinsinger, daughter of Mr. and Mrs. Dale William Kinsinger, Santa Monica, became the bride of Byron Bruce Bortis, the son of Mr. and Mrs. Clem W. Bortis of Klamath Falls who were present for the ceremony.

Wearing a gown of peau de soie accented with appliques of Alton lace and seed pearls, the bride was escorted to the altar by her father. The gown was fashioned with long sleeves, scoop neckline and chapel train. A headpiece of beau de soie petals with pearl tips held the elbow length veil of illusion. She carried a cascade of white roses and stephanotis.

The bride was preceded to the altar by Shirley Ann Yarrow, maid of honor, and bridesmaids, Kathy Flynn and Trudy Flynn, cousins of the bride. All were attired in floor length empire gowns of red velvet and carried bouquets of red roses.

Flower girls were Katie Mac Murray and Laurie Mac Murray, twin cousins of the bride. They wore long empire gowns of green velvet and carried baskets of red roses.

Mrs. Bortis chose a suit of gold knitted silk with gold accessories. Both had corsages of white and gold cattleya orchids.

After the ceremony, guests were served luncheon in the banquet room of the Surf-Rider Inn, overlooking the Pacific Ocean. The bride's table was centered with a three-tiered cake, topped with a miniature bridal couple and encircled at the base with red roses. This table and three serving tables were decorated with baskets of white gladioli and stock and pink and red roses.

The new Mrs. Bortis' going away outfit was a wool knit suit of pastel pink with pale beige accessories. A corsage of red roses was pinned at her shoulder.

The newlyweds traveled along the California and Oregon coasts to Portland on their honeymoon. On their return south they visited briefly in Klamath Falls with the bridegroom's parents. They are now living in North Hollywood.

HOT HINT

One reason that domestic ceramic tile is able to withstand almost any degree of heat is that it is fired in kilns where temperatures range higher than 2,000 degrees F. This is why ceramic tile is an ideal surface for countertops, tables, radiators, fireplaces, walls, floors and other potential "hot spots" around the home.
