Sacred Heart Trips Henley In Overtime

The unpredictable Sacred Heart Trojans, playing "way out" of their rightful competition, turned back a luckless Henley Hornet five Friday evening, thrashing the Hornets in overtime on their home court, 56-54.

For the Trojans, will return to Class B league basketball next season, the win was doubly sweet since it involved the close-to-home Hornets who solidly trounced them earlier this season 40-26 on the Trojans' home court.

And for Ross Cariaga, a capable football and basketball coach, the win proved something extra. Playing with a handful of small cagers, Cariaga developed his team's defenses around a new program.

The program, a relatively new defensive technique, utilizes a combination zone-man-to-man type of defense. The system worked to a "T" for Cariaga and his Trojan five.

The Trojans were paced on offense by Eddy Yasa-

time edge. The third quarter found the Trojans ahead 41 - 37, but by the game - ending buzzer the score was notched at 54 all.

The Trojans went into overtime determined to win, and on the strength of one well-aimed field goal, clinched a 56-54 decision before several hundred stunned Henley fans.

Henley gained a one point lead, their, only lead of the game, in the third period, but the ball hawking Trojans allowed them little opportunity to capitalize on their slim lead.

The win gives the Trojans an overall five-won, 10-lost season mark, and a conference record of two wins against six losses. Their other win was against Illinois Valley at Illinois Valley. Henley suffered a rugged defeat at the hands of Illinois Valley on the Hornet hardwood.

Sacred Heart collected on 16 of 31 charity tosses, Henley hit 14 of 22.

Scoring:

SACRED HEART — McNeary 10, Wilkinson 7, Schwarz 6, O'Connor 7, Yasana 20, Amerling 6.

HENLEY —Gooding 15, Maxwell 14, Caldwell 3, Larson 13, Sturgeon 7, Warren 2.

Oregon Tech Splits With Vikings

PORTLAND — The Oregon Tech Owls could do no better than split with Portland State's Vikings here Saturday night, as they lost the second game in their two-day stand 81-59.

The Owls found themselves in trouble early in the second half as they cooled off, and Portland State's John Nelson began ripping the cords for a total of 36 points.

Tech's Owls won their Friday night contest with the Vikings in a closely fought contest, but were strictly "out of it" in Saturday's contest.

Mike Wertin led the Owls with 17 points, followed by Rich Lyons with 14 and Will Robinett with 11.

Jim Nelson assisted John Nelson for the Vikings with 13 points. Dave Remmington added another 12 to the winning total.

The Vikings held a narrow margin first half lead at 34-32, but found little difficulty in attaining the 81-point mark as they fed Nelson continually throughout the remainder of the game.

Oregon Tech returns to Klamath Falls today, preparing for another home stand against the rugged Red Raiders of Southern Oregon. That contest will be played Tuesday evening at the OTI gymnasium.

Friday Night

In Friday night's action the Owls ground out a hard-earned 71-67 victory, with Mike Wertin and Rich Lyons paving the way.

Portland State held the lead by eight points late in the second half, but a determined effort on the part of the Owls turned the tide, and earned for them a narrow margin victory.

Wertin claimed game scoring honors in this contest, connecting on 12 field goals and one free throw. Lyons added seven from the field, and six from the charity line for his 20-point effort.

John Nelson of the Vikings contributed 21 in a losing effort, and received assistance from Dave Remington with 18 and Jim Campbell with 13.

Oregon Tech connected on 50 per cent of their second half shots, and held the Portland Staters scoreless for the final three-and-one-half minutes, but the Vikings tallied just before the buzzer.

Portland State held a 40-37 halftime edge, but couldn't contain the Owls in the final stanza.

Could Gain From Gola

NEW YORK (UPI) — Agents of the Harlem Globetrotters could have been lurking around in the hopes that Tom Gola would show up early for the New York Knickerbockers-Detroit Piston game Saturday to practice his "favorite shot."

Gola, a Knick guard, attempted the shot for the first time in a National Basketball Association game Friday night against the Pistons in Detroit.

The shot, which tied the game in regulation time and paved the way for an eventual 118-112 victory for the Knicks, went something like this:

Gola lunged to retrieve a ball headed out of bounds with approximately 30 seconds to play and leaped into the air, tossing the ball toward the basket. As the crowd looked on in amazement, the ball took one hop on the court and neatly dropped through the net.

Phoenix Wins

The strong Phoenix Pirates scored 73 points against Sacred Heart's small but plucky Trojans here Saturday night, winning their Rogue League contest in a relatively easy manner.

Cavemen Defeat Pelicans

The Klamath Union junior varsity had things pretty much their own way this weekend as they posted easy wins over Lakeview, but the Pelican varsity found the going rough as Grants Pass dropped them 38-8 at Grants Pass Friday night.

For the varsity only two wins were registered against the Cavemen, and the Grants Pass team scored three pins. Junior varsity action at Grants Pass was quite similar, with the final score reading 33-8 for the host Cavemen.

Wins recorded by the Pelicans included one by Jim Vetkos, in the 106-pound class, as he scored a 4-0 decision over David Stansbury; and a 4-1 decision earned by Andy Martisak of Klamath over John Hinkey. Mike Spiker drew with Dwight Furlong 0-0 in their match.

Jones hit 7 of 13 field goal attempts as the Ducks fired at a .525 clip for the game on 26 of 50 shots. Oregon hit .633 in the first half.

The Bears held their final lead at 15-14 before Bill Jennings got a tip-in to put the Ducks ahead for good 16-15 with 10:36 to play before intermission.

Oregon raced to its biggest lead 48-31 shortly after halftime, but the Bears, led by Dan Wolthers' 24 points, cut the margin to 71-63 with just over 6 minutes left. The rally did not last, however, and Oregon was pulling away at the final buzzer.

HOLE IN ONE — Bob Strickland, engineer for the Southern Pacific Railroad, was credited late last week with the year's first hole-in-one at Reame's Golf and Country Club. Strickland poked his perfect shot from the seventh tee. He also poked a hole in one in 1963, Feb. 15, on the 14th hole. Strickland was using an eight iron on this year's hole-in-one.

Stanford, Southern Cal Win

Stanford broke away from a tight contest Saturday night in the closing minutes of play to defeat Oregon State 51-48, with Kent Hinckley leading the way on 17 counters.

The Beavers got a 21-point effort from Jim Jarvis, 15 of them in the second half.

In other West Coast action Saturday, Southern California defeated Washington State 88-65 with a 33-point effort from John Block, 31 in the second half of play.

Gilchrist Upsets Merrill; Bonanza, Chiloquin Win

MERRILL—The up-and-coming Gilchrist Grizzlies, behind the scoring of Matt Koski and Denny Jessup, came roaring back Friday night in their County League contest with the Merrill Huskies, to defeat the favored host team 68-63.

The win was a big one for the Grizzlies, who have come on strong after a somewhat dismal pre-season campaign.

For Jerry Bennet, who felt all along that his club would "jell," the win is even bigger. It sets the stage for a rugged tussel in County League action, with a possible tournament title glowing in the future for the Grizzlies.

While the win against Merrill was by no means overwhelming, it marked a decided change in the league picture. Bonanza handled Malin. Chiloquin trampled Bly, and the big one was Gilchrist over Merrill.

For Gilchrist it was Matt Koski and Denny Jessup all the way with 23 and 28 points respectively. Bertram tallied 10 for the winners.

Merrill's hopes were pinned upon Mike McKoen and Larry Connor who came up with 17 points each, but not enough to overtake the Grizzlies.

Antlers Win

Bonanza came from behind at Malin after a slow first quarter, and piled on a decisive win 71-58 over the host Mustangs.

Rick Steber of the Antler five shared game scoring honors with Reuben Aldinger as both collected 21 points. Bill Steber added 14 and Newlun garnered 12 for the winners. Randy LeQuieu posted 12 for the losers, assisted by Dan Toffel with 10.

Chiloquin had the easiest time of all, posting a 61-39 victory over winless Bly.

In spite of the overwhelming odds against them (Bly had only five cagers in uniforms), Jack Patzke collected 30 points to keep his name on top of state scoring rosters.

Oren Miller posted 17 for the winners, while the balance of the Panther lineup added considerable weight in balanced scoring.

Panthers Run

Coach Dave Sigado literally outran the tiring Bobcats, utilizing two teams throughout the evening with platoon type substituting. With this brand of attack, it's significant that Oren Miller hit the 17-point mark. Conceivably Miller could have scored higher, had Sigado desired.

But Bly earned the praise once again from opposing coaches. Sigado credited the Bobcats with determination unexcelled, and spirit which should win them ball games.

Scoring:

GILCHRIST (68) —Koski 23, Anderson 5, Bertram 10, Jessup 28, Warren 2.

MERRILL (63)—R. Smith 8, Falvey 4, Liskey 5, Connor 17, Kurtz 5, Barnes 7, McKoen 17.

BONANZA (71)—Mitchell 6, Struve 1, Newlun 12, R. Steber 21, Pfeiffer 9, Parrish 3, B. Steber 14 and Harris 2.

MALIN (58)—Rogers 5, McAuliffe 2, Bauer 2, Moore 2, LeQuieu 12, Kenyon 1, Toffel 10, Aldinger 21, and Micka 3.

CHILOQUIN (61) — O. Miller 17, Wilder 8, Brattain 9, Hatcher 6, Spicer 9, Kizer 2, E. Miller 5, Kalita 1, and Woods 4.

BLY (39)—Ashford 2, Patzke 30, Bryant 2, Brannum 4, and Larson 1.

CORNER By DON McKINNON

Job Well Done . . .

Arie DeGroot and brother Gerrit DeGroot, two Klamath Union High School athletes, turned in fine performances despite overwhelming odds at the Portland Indoor Invitational Track Meet last week.

While they didn't draw headlines from the meet, the two young speedsters, representing the Klamath Basin Athletic Association, made their impressions in the program.

Gerrit placed second in the 500-yard run, and Arie placed third in the 60-yard preliminary heat.

In The Shadows . . .

Area sports fans are not too well acquainted with roller hockey, but for those avid skating enthusiasts who are, it's no secret that the Klamath Falls hockey team is currently competing in a regional tournament in Portland.

The team, which has been riding in the shadows of major area sports, has been performing well, but with little recognition.

Action in the roller leagues continues through July, at which time the National Championships are conducted at Lincoln, Neb.

Active in the sport are a number of local skaters, including Ken Dalton, Larry Ross, Ron Hembree. Ron Stone, George Shearer, Lynn Stone, Art Harris, Mark Runnels, Jack Fraser, Terry Robinson, Bob Reynolds and Buff Runnels.

The Rolling Stone . . .

Little Jack Patzke, ace of the Bly Bobcats, is still rolling along at a terrific pace in B league basketball.

The mighty mite of B league basketball is currently leading the state in scoring, with a 27-point per game average. His scoring efforts are second only to Nick Dersheid of Glendale's A-2 cage team, who is averaging a whopping 30.7 points per game.

In A-1 scoring, Bill Enyart, Medford, ranks ninth in the state, with a 19.2 scoring average per game.

Lakeview's Jeff Sullivan, 5-11 scoring ace, is ranked ninth in state A-2 scoring honor rolls. He has compiled a 253 point total in 13 contests, with his high effort being 33 points in one game. He holds a 19.5 per game average.

Patzke of Bly however, holds the state's highest total output for a single game, in any league, as he compiled 49 points against Bonanza. Enyart's highest output was 33 points.

Limelight Brings Pressure . . .

With the spotlight of success comes plenty of pressure, and for Rich Lyons of the Oregon Tech Owls, pressure comes in the form of a pressing defense.

Lyons, ranked 13th in the nation in small college scoring by the NAIA, has found difficulty lately in shaking opponents loose. Almost every team is double manning him, and many are openly trying to block him, even though they draw heavily on fouls.

Lyons, a most capable scorer, and a youth possessed with some of the finest moves in basketball, is the target of every type of defensive techniques available. In many cases recently defenders have all but tied his arms and in many cases have gotten away with their tactics.

Even with these handicaps, Lyons will undoubtedly go down in the record books as one of the greats at Oregon Tech, in the Oregon Collegiate Conference, and in West Coast basketball circles.

In addition to being the nation's second best (small college) free throw shooter, averaging .918 with 87 out of 96 attempts converted, Lyons is not a complainer. When in the judgment of officials, experienced or inexperienced, he commits a foul, or a foul is committed and gone unheeded, Lyons complains not.
