

Park Group Schedules Breakfast

BONANZA—The Bonanza Big Springs Park Association has scheduled a pancake breakfast at the Bonanza Cafe on Sunday, Feb. 14, from 9 a.m. to 1 p.m. as its February money making project.

In charge of arrangements and the breakfast are the co-chairwomen, Mrs. Ross Clark and Mrs. Donald Gibney. A menu choice of ham, eggs, hotcakes and coffee or ham, hotcakes and coffee will be offered with special prices for children. Since the park is not on the tax rolls, it is necessary for the association to hold monthly benefits in order to keep a caretaker for the area and to provide maintenance and improvements.

The public is invited to attend the breakfast.

COS To Open Dorm Bids

WEED—College of the Siskiyou will open bids Thursday for its first dormitory.

The bid opening will be in the college cafeteria at 7:30 p.m.

The dormitory will be built on the southern edge of the campus and will house 74 students. It is expected to be completed by the opening of the fall semester.

Male students will occupy the ground floor and women the top floor. Construction of a second dormitory within the next two or three years is planned.

The college's governing board has approved a preliminary drawing by architect Alvin Martin for a vocational education building—a wood frame structure with steel covering.

KF Observes Health Week

National Children's Dental Health Week is being observed in Klamath Falls with an interesting display arranged in the window of Currin's Drugs.

Dr. Eugene Chowell, local chairman of the national organization, said the week extends from Feb. 7 through Feb. 13. The display was put in by the dental technology class at Oregon Technical Institute. The two-year course includes classroom study and three months of practical application. The class is taught by Mrs. Lorraine Purby.

The basic "three" for good dental practices are: A diet low in sweets, brushing after each meal or at least rinsing the mouth, and a regular dental checkup from the family dentist.

Republicans Pick Chief

MOUNT SHASTA—Robert D. Cortwell, local advertising representative, was elected chairman of the Siskiyou County Republican Central Committee at the recent organization meeting in Yreka.

Cortwell has been active in Siskiyou County politics since moving to Mount Shasta over three years ago from San Francisco. There he was a member of the San Francisco County Republican Central Committee, the Republican State Central Committee, the State Board of Directors of the California Republican Assembly, and for two years he acted as president of the 18th District Republican Assembly.

Officers for the next two years include Mrs. Mary Chancy, Weed, re-elected vice-chairman, and Mrs. Mary Ann Dillon, Yreka, newly elected secretary-treasurer. The election meeting was presided over by the outgoing chairman, Ross Bigler, a Yreka attorney.

Enrollment Up At Siskiyou

WEED—Enrollment at College of the Siskiyou for the spring semester has reached 431—a new record.

Registrar Mrs. Edna Christensen said this figure is an increase of 44 new students over the previous record of 387 last fall.

The college's enrollment has grown steadily from its opening student body of 127 in 1959. An override tax, approved by voters in 1961, provides COS with enough funds to support a student body of 500.
