The Church of Jesus Christ Of Latter-day Saints

183 B Street

TULELAKE BRANCH

Organized June 8, 1947
Chapel Dedicated Jan. 9, 1949

Branch President, George L. Pickup
1st Counselor, Ralph B. Morrill
2nd Counselor, Roy E. Anderson Jr.

The Latter-day Saint teaching concerning the function of the Church is similar to the democratic view of the function of the state. We serve God, but only because of our faith that thereby we are helping to accomplish God's purpose in human life. His purpose is to bring to pass the immortality and eternal life of man. The Church has been established to help achieve this divine purpose. The purpose of the Church is to do something for people to bring them happiness in this life and salvation and glory in the life to come. The purpose of life is joy through self-realization of our full nature as a child of God. From the beginning, the Church has been concerned with men, their welfare and salvation. Every teaching, doctrine, and activity, when correctly interpreted or participated in, is there for the purpose of developing a more Christ-

like life among the children of men. The Church also has a social mission. It is here to build up the kingdom of God by establishing a society of men who will live as God requires them to live. The Church, as a body of people, endowed with the gifts and powers of Deity, is here to represent God and Christ on the earth. It is our mission, and we say it in humility, deeply aware of our shortcomings, to establish a truly Christian society, to reveal to mankind the meaning of the Gospel of Jesus Christ. This concept of building the kingdom of God has been an important motivating force in Latter-day Saint history. Many of our forefathers left Europe and came to America to build a society which could be called Zion—"a place where the pure in heart dwell," and a place worthy to be called after the Savior's name.

"And they shall also teach their children to pray and walk uprightly before the Lord."
"And ye shall know the truth, and the truth shall make you free."
