AUTOMATION PROBLEM

BOSTON (UPI) — "Automation backlash" has developed into a business epidemic that is impairing the efficiency of some of the larger companies, says a Boston management consultant. Harvey C. Krentzman, president of Advanced Management Associates, Inc., says automation and greater use of computers is hurting large businesses by increasing the size of the minimum job lots that can be manufactured. One result, he says, is more opportunities for the smaller, less-automated factory.

GIRL SCOUT GOODIES — Girl Scout Cookies that go on sale April 2, are not only good to eat as they are, but may be used in delicious recipes. The sale will continue through April 23. These two young cooks, Faith Letsch, left, and Kathy Fairchild, are getting jump on other cooks. The Girl Scouts will offer boxes of cookies at the door.

GIRL SCOUT COOKIES TOPS

Homemakers who like to try out new recipes will have an opportunity to sample desserts made with Girl Scout cookies. The annual cookie sale which starts April 2 will continue for three weeks. That will be a good time to lay in a supply since the sale is conducted only once a year to help finance Girl Scout activities.

Following are some recipes so simple the girls themselves can make them.

SAVANNAH TOFFEE TORTE

1 box Savannah Cookies — rolled
½ cup chopped nutmeats
¼ pound oleo or butter
1 cup powdered sugar
1½ sq. baking chocolate
3 eggs
Pinch of salt

Cream butter and sugar. Add beaten egg yolks. Melt chocolate and add to above with salt. Fold in stiffly beaten egg whites. Grease 8x8x1" pan. Sprinkle half of cookie crumbs and nuts on bottom. Pour mixture in. Then sprinkle on the other half. Refrigerate for 12 hours before serving.

MINTED BROWNIE PIE

14 Chocolate Mint Cookies
3 Egg Whites
Dash of salt
¾ cup sugar
½ Tsp. vanilla
½ cup chopped nut meats
Sweetened whipped cream (½ to 1 cup heavy cream)

Chill cookies in refrigerator a few minutes. Break, cut or roll between folds of waxed paper to even crumbs. Beat egg whites and salt together until soft peaks form. Gradually beat in sugar, beating until stiff peaks form. Fold in cookie crumbs, nut meats and vanilla and spread in buttered 9-inch pie plate. Bake in slow oven, 325 degrees for 35 minutes. Cool thoroughly. Serve with sweetened whipped cream on each wedge, or spread sweetened whipped cream over top, chill 3 to 4 hours, and garnish with curls of shaved unsweetened chocolate.

Crisp Salads For Spring Menus

With a combination such as crisp western iceberg lettuce rafts, green pepper rings, hard-cooked egg and a mayonnaise-sour cream dressing piquantly seasoned with curry powder, lemon juice and onion, "Curried Iceberg Salads" can't miss being a hit. Spring-green western iceberg makes many springtime salads irresistible treats.

CURRIED ICEBERG SALADS

1 head lettuce
½ cup mayonnaise
1-3 cup dairy sour cream
3 teaspoons lemon juice
2 teaspoons finely chopped onion
½ teaspoon curry powder
Salt
2 hard-cooked eggs
Freshly ground black pepper
12 green pepper rings

Core, rinse and drain lettuce. Place in plastic bag or wrap in saran; chill. Blend mayonnaise, sour cream, 2 teaspoons lemon juice, onion and curry powder and salt to taste; chill. Cut lettuce crosswise across heart with sharp knife into six ½-inch rafts. Chill any remaining lettuce for use another time. Slice 1 egg; dice remainder. Place lettuce rafts on individual salad plates; sprinkle with remaining lemon juice and salt and pepper to taste. Top each with 2 green pepper rings and sliced egg. Fold diced egg into mayonnaise mixture; ladle over salads or pass in bowl. Makes 6 servings.
