What We Think of Klamath Falls

In the past two years we have seen fit to loan over one-half million dollars to Home Builders and on Business Buildings in your city, and to show what we think of your present growth and future prospects, we would like to loan you another half million.

Our business is to help you get that home you have dreamed of so long.

We maintain a local office at 206 Hart Building, where you can have all information as to our plans of payment, etc.

**Get Our Prices Before You Buy**

Just a word to you prospective home builders who are of the opinion that building materials are too high in Klamath Falls, and that you can save money by purchasing this materials from outside points and shipping it in. Remember you must pay for the freight and the material before same can be unloaded from the cars, and you must take and keep just what they send you, and NO COME-BACK.

What we ask is a chance to figure your bill of materials. You will find our prices in keeping with these outside figures.

What we offer you is SERVICE, with a yard full of all kinds of building material, from which you can pick your grades and choose your prices. Also, LET US FINANCE THIS NEW HOME.

Don't Drive Without Insurance!**You're a Reckless Driver, If You Do**

Just think of all the accidents you have seen lately, all you have read about and the terrible loss in life and money automobiles have taken this year!

Are you the next victim? You may be, no one knows! Then it is wise for you to secure full coverage on your car! For the little that is invested you receive untold comfort in knowing that you ride insured against all possible accidents!

Tomorrow is too late! Your car may be stolen tonight, or it might burn, some one may run into you or you may accidentally run into some one else. Then it is too late to get insurance. NOW IS THE TIME.
