SMASHED AT
DRAKE RELAY**

DES MOINES, April 25.—With ideal weather and track conditions prevailing the 16th annual Drake relays came to a close here late today after 10 new meet records had been established and three had been tied. In the two day classes, 16 records were broken in all. Officials in charge of the midwestern games proclaimed them the most successful in the history of Drake university.

Records smashed today were the college half mile, mile and two

mile relays, the high school quarter mile, half mile and one mile relays, the university two mile relay, shot put, discus and hop, skip and jump field events.

Old records tied were the 120 yard high hurdles, the 100 yard dash and the half mile relay, all university class events.

Schwarz of Wisconsin alone established two new records, throwing the shot 47 feet 9 2-8 inches for new distance, and heaving the discus 146 feet 7 1/4 inches for the second record.

The fast Northeast high school relay team of Kansas City furnished the day's thrillers in the interscholastic events by winning the mile relay in 3:30.5, the half mile relay in 1:28.8 and the quarter mile relay in 45.3 all new meet records.

Butler college of Indianapolis also starred in performances today by garnering two new records. This crack squad ran the half mile relay in 1:27.8 and the mile relay in 3:18.2.

The Haskell Indians established new time in the two mile college relay, while Michigan carried off the honors for a new mark in the two mile university relay.

Herbert Graham of Kansas set a new distance mark in the hop, skip and jump, doing it in 47 feet, 8 3-8.

KENO

KENO, April 25.—L. J. Wilson, who has been working at the Spencer creek fish hatchery has been transferred by the state Fish and Game commission to the hatchery at Diamond lake.

L. D. McCormick, who has been visiting with his folks for the last few days has returned to the camps on the Upper lake.

Lauren Benefield was taken to Klamath Falls by Miss Lydia Fricke the county health nurse to have his eyes tested.

Mrs. C. J. Hartell and children visited their friends, Mr. and Mrs. R. A. Miller of Klamath Falls Sunday.

T. J. Prather from the Keno store delivered groceries to the logging camp at Ivan. He will continue to deliver on Tuesday and Friday's.

Dr. Newsom, the county health officer was in Keno Wednesday overseeing the fumigation of Morre's store, which has been quarantined for several weeks on account of scarlet fever. The store was opened Thursday but the house will be under quarantine until May 1.

Billiard balls are being made in England from a ton of mammoth tusks, believed to be 50,000 years old, that were found in a Siberian glacier.

For use in filling glass jars with freshly canned fruit there has been patented a funnel from which are suspended several chains to distribute the heat and prevent it breaking the glass.
