

Harry Greb Socks Rojas All Around Ring At Detroit

(By United News Leased Wire)
DETROIT, May 1.—Harry Greb gave Quintin Romero Rojas a decisive whipping in 10 rounds tonight.
 Greb was the aggressor throughout the fight. His repeated left hooks to the body and stomach kept the Chilean on the defense while his milling continually belittled the South American. Greb had a safe margin in each of the 10 rounds. Rojas' best showing came in the third and ninth rounds when

he landed several staggering lefts and rights to the champion's head and body.
 The first blood in the fight came in the second round when Greb opened an old cut on Rojas' eye. He reopened it in the ninth.

KNECHT GETS BURNED

Elmer Knecht, who is assisting Johnny Houston, Harry Howard and Frank Confer in the construction of the Venetian dancing barge to be launched in a few days on Lake Kwauna, received a severe burn on his left arm yesterday while engaged in painting the pontoons for the barge with hot tar. Knecht will probably be laid up for a week or ten days according to the M. D. who has ordered him "confined to quarters" in the Elks club.

Bomb Kills 140 in Bulgar Church

SOFIA - 1925

One hundred and forty were killed, including twenty women and ten children, and many injured in the explosion of an infernal machine placed in the Cathedral of St. Kral, Sofia, Bulgaria, during the funeral of General Georghoff, of King Boris's personal staff, who was killed in the streets of Sofia by Communists shortly after an attack was made upon King Boris himself by a number of men hidden in ambush outside the city. Martial law was proclaimed throughout the country, and all persons traveling on trains were thoroughly searched. Photo shows a general airplane view of the City of Sofia, showing the new cathedral, which was dedicated last September.

RAILROAD BRIDGE ABLAZE

From a walled cave deep in the Mississippi River at St. Paul to street high-powered water lines on the St. Paul, Minn., wooden railroad bridge which started from a spark from a locomotive. The photo shows the spectacular blaze which destroyed the wooden trestle and false work supporting forms for a new traffic bridge. A brisk wind spread the flames through the cross-tied timber work of both spans, causing a loss of \$100,000.

Will Try Pole Flight in Blimp

FRANK WORSLEY & GRITTER ALGARSSON

Under command of Frank Worsley, who captained both of Shackleton's polar ships, the ship Iceland will leave Liverpool, Eng., about May 1 and push her way as far as possible into the ice fields of Northern Spitzbergen. When the vessel can go no further, a small dirigible balloon will be inflated and, under Gritter Algarsson, of Vancouver, B. C., will attempt to fly to the North Pole. After a day at the pole, the dirigible will seek to reach Nome, Alaska. The airship will carry a crew of four men and food for thirty days.
