

Ready for the Spring Attack! Your army of buckets, brushes, your paint pails—soap, too, for that matter, stand at "attention," for the Spring Drive on Dirt is ready to start. Scrub it or Paint it, but be sure that it carries no dirt. Bring Spring in with lustre and snap, with cleanliness and beauty.

The merchants who are making this page possible are joining hands with you in making Klamath Falls a clean and bright place to live in. They will help you in every way to improve your community. To this end they are offering special attractions on all Clean Up and Paint Up supplies.
