

Policy Allies To Acid Test Soon

May 16.—German allies will soon be put to the acid test. What he, the marshal of Germany's intentions toward his allies with respect to moving under the Versailles treaty forced out by the allied note.

German allies will soon be put to the acid test. What he, the marshal of Germany's intentions toward his allies with respect to moving under the Versailles treaty forced out by the allied note.

German allies will soon be put to the acid test. What he, the marshal of Germany's intentions toward his allies with respect to moving under the Versailles treaty forced out by the allied note.

Way In Not Water Legality

May 16.—Opposing the state highway bill on several types and after the bids are a particular type, Jay attorney for Frederick the weeks an injunction the commission from let-est to Simonson and egaining the Astorin-us of the lower Colum-highway, argued before ridge Morrow of the cir-cles to the effect that should have been the lowest bidder, in-

respective of type. He maintained that the contract should have gone to the Warren Construction company, on its bid for asphaltic concrete pavement, the bid being approximately \$9,000 lower than the Simonson and Hefly bid, which was for cement concrete. The argument will probably be concluded Monday afternoon, when it will be decided by Judge Morrow whether he wants to hear any testimony on the existing condition of the road bed.

WISCONSIN FOREST FIRE
LAONA, Wis., May 16.—Despite light showers which fell in this section today, forest fires continue to burn along an eight-mile stretch of virgin timber. Wisconsin national guardsmen numbering about 800, are helping the volunteer fighters, who have been on duty for several weeks.

CARD OF THANKS
We wish to express our sincere thanks to those who so kindly assisted us during the illness and death of our loved one, also for the many beautiful floral tributes. MR. & MRS. E. D. BRIGGS AND FAMILY. WILLIAM RAYMOND, M17

Splinters

625 Adams Street, Klamath Falls, Ore.
