The proposition as it worked out at the meeting was about as follows: Each captain has absolute command over his crew, and can make them obey orders if he is big enough, and as a starter each member was given a book of admission cards, with orders to fill it as soon as possible, and come back and get another. The drive is to be made Saturday morning, but you can save

it works, it's true!"

But it doesn't prove out in practice—this gend about salt as an aid to bird-catching. Neither does this superstition that there is something mysteriously "better" about eastern lubricants—merely because they cost more. Every quart of Zerolene you buy proves the roundness of this superstition.

Pacific Coast Crude Is Best

Zerolene is a western oil—and a better oil even if it does cost less.

As a matter of fact, the best crude petroleum so far discovered for the manufacture of a motor lubricant is obtained from Pacific Coast wells, and the most advanced refining process is this Company's patented high-vacuum process during the use of which Zerolene is submitted to 15 positive checks for quality.

Experienced Drivers Prefer Zerolene

Experienced drivers know this—that Zerolene lubricates more cars in the Pacific Coast states than any other oil made—heavy-duty trucks and high-priced cars alike. Superstitions don't work out in practice—Zerolene will increase the gasoline mileage of your car, reduce carbon accumulation in the cylinders and lengthen your car's working life.

Why pay tribute to a superstition? Insist on Zerolene—ask for it by name.

Get the Facts!

A series of independent and impartial reports showing the experience of large users with Zerolene has been collected in our booklet, "Why Pay Tribute to a Superstition?" Ask any Standard Oil Company representative or Zerolene dealer for a copy.

WHITE SOX WIN FROM MACKMEN

Hollis Thurston, the Arizona right hander, who came out of the west two years ago, broke the Athletics' long winning stretch Monday by holding them to 12 hits and five runs in a 14-inning game at Chicago. Thurston faced Baumgartner and Groves, Mack's expensive experiment. The White Sox came up from behind in the ninth inning, putting over two runs. Another in the fourteenth gave them the 6 to 5 victory.

It was a day of upsets throughout the American league schedule. Benny Karr, pitching for the Indians, battled against Mordridge, Russell, Ogden and Marberry, winning over the Senators, 9 to 6.

The Yanks won a game in Detroit, 9 to 7, another of the strange results of the day, and an event which pushed the Tigers to bottom position in the league standing. Boston also won, taking a 12 to 7 victory from the Browns in St. Louis.

In the National league, the Dodgers tightened their hold on second place by winning over Pittsburgh, 12 to 7. The Giants, however, won by a score of 5 to 2 over Chicago, strengthening the belief that a position as runner-up in the National

Yreka Pitcher Fans 15 But Loses Game On Bad Throw In 13th

McCLOUD, Calif., May 18.—(Special to The News)—Yreka came out on the long end of a 1-0 thirteen inning pitcher's battle between H. Metten of Yreka and C. Sligar of McCloud Sunday. Metten pitched a masterful game, striking out 15 men. He deserved a win, and might have had it, but for an overthrow in the 13th inning by Catcher Dinkins, who tried to nail a Dunsmuir player at third. The ball went 3 feet over the third baseman, and the game went to McCloud. Blue skies brought a big crowd to the league opener.

TIME TO GET IN TO WIN CONTEST

In another place in this paper is printed the standing of contestants. Mrs. Goldworthy is still in the lead. Who will be in the lead tomorrow? It only takes a few subscription payments to put any one of the contestants at the head of the list.

This will be an interesting race, both for the contestants and their friends. Watch for the published standing which appears in the paper every day. See which one of your friends heads the list from day to day. If you are helping some contestant that hasn't a very good showing, help them out by giving them your subscription for as long a time as possible.

Contestants, don't forget that the first "period" of the contest closes Monday night, 9 p. m. on June 1. For every \$30 in subscription payments turned in up to that time, 200,000 extra votes will be issued. You can't afford to let this first period of the contest pass by without putting forth all the energy possible to get both new and renewal payments to the News. After the close of this period, you will have to work much harder to keep ahead of the other contestants. Some of the contestants are working real hard for these bonus votes. If you are one that is not, why not?

This contest closes on Monday night, 9 p. m., June 15. At that time the judges will count the votes and the prizes will be awarded to the highest contestants. Will you be one of the lucky ones?

NEW CITY LAUNDRY SOLD FOR \$20,000

Gordon MacAuley and Marshall Field, experienced laundrymen of Corvallis, closed a deal here Saturday for the New City laundry, taking over the ownership and management of the Linkville plant from Frank Nakata. The consideration was approximately \$20,000.

The new owners plan to make extensive improvements and to increase the capacity of the Nakata plant, which has been run by the same management for the past 13 years.

The deal which was closed Saturday has been pending since April. Nakata will assist the new owners to become familiar with the trade here, and then he plans to leave for California.
