Wide Contrast in Twins

ETHEL & EVELYN WICKMAN.

These twin sisters, now twenty-six years old were identical in appearance when they were three months old. Ethel Wickman, at left, is four feet four inches tall and weighs 65 pounds. Evelyn, who is the wife of Charles Tetzlaff, Chicago policeman, is five feet seven inches tall and weighs 140 pounds. Physicians cannot account for the difference in development.

great railroad center and big distributing point is inevitable. I came to Oregon when but a youth, and I am an old bald-headed man now. I have seen villages grow to cities and cities grow to larger cities in the Pacific northwest. It has always been my observation, in my connection with the Hill lines for some 30 years, that Klamath Falls was isolated so far as transportation was concerned.

"I haven't much of a message to bring you at the present time. Not until our surveys are completed, at least. After that we will go to the council, to the Rotary, to the chamber, and to other civic bodies and ask your co-operation. But already, through your newspapers and your organizations, you have manifested a splendid sentiment."

Judge Carey was given a most cordial welcome by the Rotarians, who invited him to be with them whenever in Klamath Falls again.

MASONS HAVING CONCLAVE TODAY

enable those who have attained high degrees in either York Rite or Scottish Rite Masonry to enter the so-called playground of Masonry, or the Ancient Arabic Order of Nobles of the Mystic Shrine. This year the spring ceremonial is held at the Oasis of Klamath Falls, it being the second trip to this city, the first a number of years ago. The officers of the temple who will conduct the ritualistic or ceremonial work are: Emil Britt, Illustrious Potentate, (Sheriff Shayk) of Jacksonville; F. D. Wagner, Chief Rabbah (Sheriff al Emeer) Ashland; Sam H. Baker, Ass. Rabbah (Sheriff al Sabib) Grants Pass; P. K. Hammond, High Priest and Prophet (Sheriff al Iman) Ashland; E. C. Jerome, Oriental Guide, (Sheriff al Ayn) Medford; C. H. Vaupel, (Sheriff al Chayzin) Ashland; W. H. Day, Sheriff al Katib; R. E. Detrick, Sheriff al Alam; H. G. Enders, Sheriff al Alam; D. H. Jackson, Sheriff al Amal; Captain of the Guard, Geo. W. Dunn, Sheriff Tall Talker, C. C. Weissenburger, Sheriff al Fofiz, all of the later being from Ashland or Medford. The Arab Patrol is under the direction of Geo. R. Chapman, Captain, Carl Tenwald, first lieutenant, Rex Barnett, second lieutenant, and James of Rhodes, drum baster.

Main Street Parade

At 10 o'clock in the morning the patrol and drum corp will drill on Spring street near the Big Basin Lumber company; 1:30, all candidates report at the Scandinavian hall; 2:30 p. m. parade and exhibition drill tactic by patrol and drum corps on Main street, from the White Pelican hotel to the Hall hotel and return to the Scandinavian hall; 4:00 p. m. ritualistic work at the Scandinavian building; 6:00 p. m. banquet at the White Pelican hotel for all Shriners; 7:30 p. m. ceremony, work at the Scandinavian building.

Crater Shrine Active

The Crater Lake Shrine club of Klamath Falls is one of the most active Shrine organizations in the state and to them is due the credit for staging this ceremonial at this time, bringing several hundred visitors to this city, whom it is hoped will be warmly welcomed by this community.

The advance representative of the famous patrol appeared in the windows of the Golden Rule store yesterday afternoon, the Hillah (Gila) Monster. It is reported that this is only one of the reptiles held in captivity by the patrol for the torture of candidates who cross the burning sands to Mecca.

Deadly Monster

This monster is deadly poisonous and were it not a famous hypnotist, a member of the patrol, handles this hideous animal it would be un-

safe for the novice to make this pilgrimage.

It is reported that during the past seven years while this monster has been in captivity and kept for ceremonial work by the patrol only one candidate has been bitten, and he died, whether from fright or the results of inoculation of poisonous fangs is not known. This animal is only handled by his trainer who is a famous hypnotist and takes the utmost precaution on account of its deadly nature. Arrangements have already been made with a number of prominent physicians of the town to be in attendance at the ceremonial with an ambulance and proper drugs and instruments to offset the poisonous virus and deadly kiss of this monster.

route, and owing to the great distance to be covered, it might be necessary to ask the Interstate Commerce commission for additional time for filing data on the surveys. The road expected to establish terminals here second to none, he said. The board of directors have instructed the Oregon Trunk to build to Klamath Falls, it will take some time and patience, but the road will be built, Judge Carey concluded.

Speaking an hour later before a large and enthusiastic delegation of Klamath Rotarians, Judge Carey said in part:
