MEMORIAL DAY PLANS NEARING COMPLETION

The national Memorial Day observance which is next Saturday, May 30th, at which time the merchants, according to Roy Durbin will close from 10 until 12 a. m. will be observed by the American Legion, Indian war veterans, Civil war veterans, Spanish war veterans, and with the co-operation of the ministerial association by Rev. Arthur L. Rice, of the Presbyterian church officiating at Klamath Falls will stage the greatest Memorial that has ever been staged in years.

The orator of the day is Edward W. Miller, state senator, of Grants Pass, who is being brought here by the American Legion, and the next feature of the program is Mrs. Marjorie McClure Olds who will appear in solo and who needs no introduction to Klamath county as an artist. Mrs. Olds is the wife of Commander Francis Olds of the Legion and is the Southern Oregon Nightingale that everybody enjoys listening to.

The chamber of commerce chorus, according to Linn Sabin will be there as will be E. E. Valente, baritone soloist, who is a member of the American Legion and possesses a great ability.

Exercises will begin at 10 a. m. at the Pine Tree next Saturday and just prior to that Fred A. Baker who will preside at the general assembly will deliver a short address at Link river and the parade with all veterans of all wars and the school children of the city led by Captain O. C. Applegate and Major Gale S. Newsome will proceed to the Pine Tree theatre for the main exercises.

Linn W. Nesmith is general chairman of the day.

Invitations Mailed For Annual Chamber Meeting

Notices of the annual meeting and banquet of the chamber of commerce which will be held at the White Pelican on the evening of next Friday, May 29th, were mailed out to the entire membership yesterday. It is the plan at these annual meetings to summarize the work of the chamber during the past year, and to map out proposed work for the organization during the remainder of 1925 and up to April 30, 1926.

Ex-governor Thomas Campbell of Arizona, who arrived here today, with the board of survey and adjustment of the department of the interior, will be the principal speaker for the occasion. The distinguished visitor at this meeting will probably offer his impressions of the agricultural status of the Klamath project, based on his observations here, and the data presented to the board at the hearings this week.
