

MONDAY, 9 P.M.

Marks Expiration of the
200,000 Extra Vote Offer

Every \$30 in collections secured by Monday, 9 p. m. earns 200,000 extra votes. All payments, regardless of amount paid, count toward this, the largest extra vote offer of the contest. Back payments from old subscribers count the same as advance payments.

Early work in this campaign will be a big factor in deciding who the winners of the big prizes will be, for as the contest progresses the bonus vote schedule decreases. So in order to assist those who start to work early in the campaign, a bonus of 200,000 extra votes will be awarded, all on each \$30 in subscription collections turned in by Monday, June 1st, 9 p. m. All subscription collections for any length of time in amounts of \$30 secured will count.

NOTE—A new subscriber is any person who was not taking The News, either by mail or carrier, when the campaign was announced. Changing a subscription from one member of the family to another will NOT constitute a NEW subscription.

NEW SUBSCRIPTIONS taken during the early part of the campaign for short time may be extended by another payment at any time during the campaign, and will be considered NEW subscriptions, and votes issued accordingly. Once new, is the rule. These "SECOND PAYMENTS" must be marked on the subscription card which is sent or turned in to The News, also state the amount of first subscription collected by yourself or some other candidate. Be sure to mark all "SECOND PAYMENTS," so you will receive the extra votes. "SECOND PAYMENTS" from old subscribers will also earn additional votes.

No More Voting Coupons

There will be no more free vote coupons published during the News' subscription contest, mainly for the reason that many of the regular subscribers have been under the impression that these coupons were the only vote-earning method, and that this was the only way to help their favorite contestant.

Subscribers, the big way to help your favorite contestant is by paying up your delinquent subscription or by paying in advance not more than five years.

Every dollar paid on your account earns votes whether you pay at the office or pay the contestant in person, but when paying at the office the contestant must be designated at the time of payment or else votes will not be issued. This is final and absolute. By designating a contestant you still get your yearly rate and all other privileges granted subscribers during this contest. It absolutely costs you nothing to do this for the contestants and even though you have not been called on in person, the contestant designated will most certainly appreciate this courtesy.

Below is shown the subscription rate and regular vote allowance which covers both back and advance payments. If an old subscriber, any money paid will be applied on your account and automatically pays you up according to the amount paid—and even though you have already helped one contestant, you still have the privilege of helping another.

Get behind your favorite by paying on your account, and show by doing so that you are interested in his or her campaign for one of the big prizes.
