Marks Expiration of the 200,000 Extra Vote Offer

Every \$30 in collections secured by Monday, 9 p. m. earns 200,000 extra votes. All payments, regardless of amount paid, count toward this, the largest extra vote offer of the contest. Back payments from old subscribers count the same as advance payments.

Early work in this campaign will be a big factor in deciding who the winners of the big prizes will be, for as the contest progresses the bonus vote schedule decreases. So in order to assist those who start to work early in the campaign, a bonus of 200,000 extra votes will be awarded, all on each \$30 in subscription collections turned in by Monday, June 1st, 9 p. m. All subscription collections for any length of time in amounts of \$30 secured will count.
