CHILOQUIN

William Crawford, well known ... rancher of Sprague and Mrs. Craw- ...

ford have been spending the past ... few days in Klamath Falls on a ...

business trip. ... Word has been received from ...

Chief Montanle, of Pendleton, who ... is well known here on the Klamath ...

reservation, that if possible he ... will come over to the Klamath In- ...

dian convention. The Chief is well ... remembered in religious circles, ...

having appeared before large gath- ... erings many times. ...

Harry Demsey, newspaperman of ... San Francisco, who has been in ...

Klamath county for the past week ... and making a tour of inspection ...

of the habits and conditions of the ... Indians on the Klamath reservation ...

left for Klamath Falls enroute to ... northern Oregon, where he will ...

spend the week-end before his re- ... turn south. Mr. Demsey says all ...

the roads he traveled over were in ... fair condition with the exception ...

of the road between Chiloquin and ... Sprague (known as the Cave road) ...

and that his and two other cars were ... stuck in a lane above Bray's mill ...

for over an hour, also that below ... the Bray mill that fallen rocks ...

endangered public travel. He leaves ... Klamath county with pleasant ...

thoughts of the beautiful trip. ... Wade Crawford, who has estab- ...

lished a fox farm at Fort Klamath, ... left for Klamath Falls on a ...

business trip. ... John Heasig has installed over ...

25 telephones in the new Geinger ... building and expects shortly to have ...

his new phone book off the press. ... "No Interest"

ing shown in the coming blooded ... horse race. ...

Chief Alex Temesch left for ... Klamath Falls enroute to Grants ...

Pass with over 30 head of bucking ... horses and two mules, which will ...

appear in the coming rodeo there. ... Cecil Jackson, Alvin Jackson and ...

Francis Silvers went along with ... horses. ...

Elden Miller, of the finance com- ... mittee of the Klamath Indian con- ...

vention was a recent visitor in ... Klamath Falls. ...

If you must think of price think of this roofing

Backed by Johns-Manville Inc., with over fifty years experience in the manufacture of roofings. Made of carefully selected rag felt thoroughly saturated with life-giving natural asphalt.

Johns-Manville Pilot Roofing

Quantity output and distributing economies make possible the production of this roofing, which combines moderate first cost with really good service.

We recommend the application of Johns-Manville Pilot with Pyramid Kaps, fasteners that insure an absolutely weather-tite job. Ask us about this feature.
