Mrs. HAROLD NOICE and HUSBAND

Noice was the leader of the famous Stefansson relief party which went to Wrangell Island in 1923, to find only one member—Ada Bladyade—alive. On a visit to California he met Miss Frances Allison, daughter of the late William Allison, millionaire New Jersey banker. Noice and Miss Allison were married, but their romance was short lived. She is now in Reno, evidently seeking a separation. Noice is living alone in New York.
