

CAP APPLIGATE LEADS PARTY TO MODOC COUNTRY

Captain Appligate, leading authority on the Modoc war, led a party of Klamath Agency and local people on the century drive around Tule Lake Sunday, visiting all the historical points of interest in connection with the Indian campaign of 1872 and returning home late Sunday evening.

Nine cars made up the caravan and the Captain reported that a half dozen other cars would have made the trip had the weather been more settled. The following were in the party, E. S. Rideout, Mildred Rideout, Maxine Rideout, Judge C. B. Watson of Ashland, A. J. Smith, Joe Kirk, J. D. Shirk, Roy Rice, Clarence Middlebressler, Guy Wilkins, Stanley Johnson, W. H. Shaffer, Mr. and Mrs. E. Weber, Squint Jensen, Ruben Baird, Alice Fletcher, Mr. and Mrs. James McRoberts, Mr. and Mrs. Ernest Wiley, Chas. Minor, Dorothy King, Mary Pitkins, Carolyn Rhodes, Ed Guberneck, Roy Dilstrom, Wilson Wiley, B. A. Sanders, and A. B. Sanders.

The principal excitement of the day's trip, according to the Captain, was the capturing and execution of two rattlesnakes, one an unusually large reptile nearly three inches in diameter through the body. Another rattler or two were heard in the rocks around Prison Island but they kept out of reach in the deep rock crevices.

Captain Appligate will make the Lava Bed trip again Thursday or Friday of this week, and the public is invited to get in touch with him at once and arrange to make the trip.

Diamond Lake Is Popular To K. F. Anglers Sunday

Diamond lake has proven the mecca of early summer fishermen, if the census of those who spent Sunday at the lake may be taken as a forecast.

With the trout biting well in the cold water, and the reports of the first groups into the lake, Sunday was a busy day and Klamath Falls was well represented with those who trolled the waters of Diamond lake, as well as those who tried their luck at casting.

Among the parties to spend the week-end at Diamond lake was one composed of E. B. Henry, city engineer, Willard L. Smith, of the reclamation service, and Harry Baum, woodsman for the Weyerhaeuser Timber company. They reported a good catch of rainbow trout and brought home the limit.

Another party who caught the limit was composed of Ernest Nitschelm, Frank Bryant, Merle Houston and Harry Messner. It is reported, however, that the last two lacked a few pounds of the needed 20, although they brought in a good number. The fish, according to one of the party, are of the smaller variety, although there were a number of "big fellows." The party

Tells Why He Can Now Eat Hearty

"A letter which I read in the paper about Carter's Little Liver Pills fitted my own case so closely that I could not help trying them and am very happy I did." So writes Mr. Frank J. Trumbull of Jersey City, N. J., whose letter goes on to say, "I had heard about Carter's Little Liver Pills for years but never knew they helped overcome poor appetite and sour stomach, until I read about another man in the same plight who took Carter's with good results. I tried them and can honestly say that they freed me of nasty gas on stomach, so that I can now eat without getting bilious, and they improved my appetite fully 100%. You can rest assured that from now on I will boost Carter's Little Liver Pills whenever I can." Recommended and for sale by all drug stores.

Business Women's Club Enjoys Sunday Picnic Lunch in Ashland Park

More than 25 members of the Business and Professional Women's club enjoyed the Sunday trip to Ashland, where they were entertained in the Ashland park by members of the similar organization of the Medford women.

Advertising the Klamath Falls rodeo, which will be an event of July 2, 3, and 4, was one of the features of the trip. The K. K. K. store supplied the women with silk handkerchiefs, which they tied around their shoulders in cowboy fashion, and wide belts on which the words "Rodeo—July 2, 3, 4," were printed.

Stunts were in order during the afternoon and games and tennis enjoyed. Luncheon was served the guests at one o'clock in the picnic grounds.
