How Robert M. Koenig Found Remedy for Pimply Skin

For years my skin would break out every once in a while—and ointments did very little to help me. I read a doctor's article stating that pimply skin usually comes from the stomach—and bowels not getting rid of the poisons. I tried Carter's Little Liver Pills for a few days—and since that time my skin is smooth and clear. Now I tell my friends the right way of getting rid of a broken out skin—and also of steering clear of upper stomach and sick headache. Carter's are all you claim for them.
