## PROVING UP

Back in school-days—after a season was completed, there usually was a way to "PROVE UP" the answer.

The proof was the thing that counted.

Your bank account is the only way you can "PROVE" your industry—Don't be afraid of small beginnings, the race is decided at the finish—not at the start. We have a great many depositors and most of them were small beginners.

Get a bank account under way.
