

## FIRST

*We are proud to have the Nash  
the first car through Crater Lake  
National Park.*

*The fact that a Nash was first  
is not surprising—Nash is usual-  
ly in the lead.*

*Whether in snow or sand the  
unfaltering giant under the Nash  
hood can be relied upon to take  
you safely through.*

## R. R. R. GARAGE

Three regular fellows—Roy, Rex, Ray.

831 Klamath Ave.
