Al Smith Prepares for Another
Battle With Hostile Legislature

Governor Al Smith (left) is setting the stage for another test of strength with the hostile New York legislature. He has Alexander McDonald (right), state conservation commissioner, sounding out various representatives with a view to ordering a special session to consider his pet bill, which calls for a \$15,000,000 bond issue to provide new state parks. "Parks for the People" was one of the governor's slogans in his last campaign.

New Problem For Police
Officials To Work Out

CAPE MAY, N.J. June 23.—After an unsuccessful search for a bed strong enough to hold him, police officials at the county jail had to reinforce one of the regular beds for Luther Edmund, who weighs 450 pounds and claims to be the

fastest taxi driver in the United States. Bricks were piled beneath to keep the bed from caving in under his weight.

Edmund was arrested as a material witness in the killing of Blanche Brown, a negro, here Sunday.

CHAMBER GIVEN
LARGER BUDGET

At the directors' meeting of the chamber of commerce yesterday considerable time was spent in the examination of the budget for this year's activities.

Approximately \$3,000 more has been allotted for the 1925 work of the chamber than was spent last year. Additional help and more extensive broadcasting of Klamath county, advertising and publicity matter were the principal items responsible for the additional cost.

Lynn Sabin, secretary of the local chamber was granted a leave from his routine duties here to attend the Annual Secretary's Summer

School to be held under the auspices of the University of Oregon at Eugene July 5th to 10th.

Cloudburst in Pendleton
Country Damages Grain

PENDLETON, Ore., June 23.—A heavy dust storm late Sunday evening broke the peak of the hot spell and Monday it was several degrees cooler.

The same general storm that brought relief to Pendleton was a cloudburst at Pilot Rock that damaged many acres of grain by lodging and washed great gullies through the fields. The cloudburst was accompanied by a severe electric storm.
