**ISSUE LICENSES**  
The office of the tax collector  
was one of the busiest places in  
the Klamath county court house  
yesterday when one-half year license  
plates were obtained according to  
announcement made previously by  
Secretary of State, Sam Kozar. The  
number reached 80 at 5 p. m. yester-  
day afternoon and the line was  
long in order to obtain the neces-  
sary requirements for driving. Ac-  
cording to the office, the obtaining  
of the plates is much more compli-  
cated than in the past as foreign  
cars in the state must present their  
old license plates of 1925, present-  
satisfactory information and certi-  
ficate of registration.
