Figure What Road Vibration Costs!

Take the motor out of your automobile. Put in on a solid foundation. Let it run. You'll have no starter or generator trouble. You'll have no expensive repairs to make. You'll get years of service. For it isn't the running, but the punishing vibration of the road that makes your upkeep high. And it is this unceasing road vibration that Grüss Air Springs absorb. Figure what road vibration costs you. Then figure how much cheaper it would be to install Grüss Air Springs.
