To Ashland—Mr. and Mrs. S. W. Moss of Klamath Falls, returned Monday evening from a brief visit, enjoyed in Ashland at the home of Mr. Moss' father, Alvin Moss.

Former Resident—Mrs. Dorothy Luce, a former Klamath Falls resident, has returned to the city from her home in Idaho, to visit at the home of Mrs. Lyle O. Mills for some time. Her many friends welcome her to the city. This is Mrs. Luce's first visit to Klamath Falls in five years.

Returns Home—After visiting in Klamath Falls since the golden wed- ding on May 6 of her parents, Mr. and Mrs. R. A. Emmitt, Mrs. H. C. Miers returned to her home in San Francisco the early part of the week. Mrs. Miers was a former Klamath Falls resident.

Visiting—Mr. and Mrs. Charles Brown are visiting in the city from their home in Santa Cruz. While in Klamath Falls they are the house guests of Mrs. Laura Walker, and also at the home of Mrs. O. D. Mathews. They spent Tuesday at Crater lake, and plan to leave to- day for Portland, returning down the coast on their way to Santa Cruz.

Visitors Leave—Mr. and Mrs. W. A. Sanders, after visiting at the home of their son and daughter-in-law, Mr. and Mrs. W. L. Sanders, have returned to their home in Long Beach. Whether or not the visitors will go directly south to their home, or whether they will make a trip to Portland, they had not decided when leaving here yesterday.

Rancher In—Joe Krizo, rancher of the Main district, was among the many out of town visitors in the city yesterday to transact business.

Badger on Streets—Quite a com- motion was caused on the streets of Klamath Falls shortly before 3 p. m. yesterday, when a youth with a pet badger strolled along Main street with a beautifully pelted badger under his arm. When the animal had been safely escorted across the streets he was placed on the side- walks, where he waddled behind his master in much the same fashion of the pet dogs of a Klamath Falls sleuth.

To Roseburg—Miss Ruth Dixon, who recently returned to Klamath Falls from Los Angeles, left the early part of the week for Roseburg, where she will visit for a fortnight with her sister, Mrs. A. F. McKenzie.

Local Briefs

Half!—Algoma reported more rain yesterday than probably any other section of the county, accord- ing to reports received in the county highway department's office from the boys working on the road. Dur- ing the early part of the afternoon, when Klamath Falls was under a slight drizzle, Algoma was under a perfect deluge, far too perfect, in fact, to suit the boys on the high- way.

Sheepman In—C. M. Merritt of Merrill, prominent sheepman of that section, was in the city yesterday from his ranch to visit and transact business with Klamath residents.

To Mt. Laki—In the interests of the Klamath schools, County School Superintendent Fred Peterson spent yesterday in the Mt. Laki district, where he inspected the work of mov- ing the Fairview school.

Camping Trip—Mr. and Mrs. Perry Wilson, Mr. and Mrs. "Pat" Holcomb and Miss Ruth Lindsey are planning to leave the latter part of the week for Campbell lake in the Hly district, where they will enjoy a week's vacation. The party plans to camp during their visit.
