# NEW IRONER IS INTERESTING TO HOUSEWIVES HERE

The demonstration of the Thor electric ironer, which is being held at the Baldwin Hardware Co., is proving to be of considerably more than passing interest to the ladies of Klamath Falls, according to Will Baldwin.

"It is really a wonderfully efficient machine," said Mr. Baldwin yesterday, in speaking of the Thor ironer. "A woman may iron in less than two hours, a washing that under the old back-breaking method would require at least four hours to complete, and this is done entirely without effort. We have made several sales as a result of this demonstration, and so pleased are we with what has been accomplished that we are endeavoring to induce the demonstrator to remain another day. The Thor has always been known as a producer of highly superior work, but the new Thor-30 with its many improvements, is by far the greatest labor-saving device that has ever been placed on the market."

Whether another demonstration will be held Thursday will be announced later.

# Boy 2 Years Old Dies From A Broken Heart

QUINCY, Ill., July 28.—The death of 2-year-old Donald Powell Monday was ascribed by physicians to a broken heart.

Since the death of the infant's mother two weeks ago the child steadfastly refused to be consoled and played away. It is the first case of its kind on record here.

# Local Briefs

From Lakeview—M. Patterson of Lakeview is in Klamath county, returning from a visit in the neighboring city.

In Klamath—E. J. Hilton is a business visitor in Klamath Falls during the week from his home in Dunsmuir.

# Tells Why He Can Now Eat Heartily

"A letter which I read in the paper about Carter's Little Liver Pills fired my own case so closely that I could not help trying them and am very happy I did." So writes Mr. Frank J. Trumbull of Jersey City, N. J., whose letter goes on to say, "I had heard about Carter's Little Liver Pills for years but never knew they helped overcome poor appetite and sour stomach, until I read about another man in the same plight who took Carter's with good results. I tried them and can honestly say that they freed me of nasty gas on stomach, so that I can now eat without getting bilious, and they improved my appetite fully 100%. You can rest assured that from now on I will boost Carter's Little Liver Pills whenever I can." Recommended and for sale by all drug stores.
