

The majority control will be retained in the hands of the chain laundry syndicate, but enough stock will be sold to local business men to make the enterprise, to some extent at least, a community proposition.

Miss E. Rich of Brooklyn, N. Y., says: "I don't know what the cause was, but every few days my stomach would feel all bloated up with gas, my appetite was poor and I felt sick to my stomach—to say nothing of headaches."

"I never thought of using Carter's Little Liver Pills until nothing seemed to help. After using Carter's I felt relieved at once—and now as soon as my stomach 'talks back' I answer with Carter's and have the last word."

KLAMATH VALLEY HOSPITAL.
In readiness day and night to care
for confinement patients—adv. 21

—but the last few miles
are less fun!

A glorious day's outing—but when the car turns for home all the fun is gone for one of the family.

There's dinner to get for a late and hungry crowd. And the stove, of course, is cold!

Kindling and fuel to bring in. Never mind the floor now—it'll have to be swept later. So many things to be done, and the fire to be watched!

In eighteen hundred other homes near at hand, there isn't any kitchen-fire problem today—or any day. Electric ranges are in these homes. A cooking heat is ready at the turn of a hand.

Economical,* clean, convenient and more efficient, electrical cooking is the choice of every housewife. And if it is only a matter of time, why not now? A wide selection of models to fit any kitchen, and terms to meet your wishes, at the nearest dealer's.

*The actual average cost of electricity current for electric cooling and lighting, together, in homes in this neighborhood is \$5.62 a month.
