

REASONABLY CERTAIN OF 4 OF 5 REMAINING GAMES

Noel Running Neck And Neck Race For In-
Batting Honors; 7 Regulars On Team Are
Above .300 Mark; Team Plays At Mt. Shasta

Regulars have now
batting averages above
the results of the
two-thirds of the
season for top of the
team and Paul Noel has
an average of .339.
Weed at bat the same
as both having a
trip to the
had been leading
until last Sunday when
Noel overcame
by smothering out
five times up.
a host of seven regu-
lars .300, something
Weed team has not ac-
quainted his way
by getting three
times up Sunday, while
Noel and Mathews main-
tain, as they have
the season, a steady
lead.
Pelicans journey to
play with the team
regular position. Yet,
have been a problem
case. The first game
1-0 win over them,
and a 5-4 win after 11
in the ball.

Weed meets McCloud Sunday,
while Yreka and Dunsmuir will bat-
tle for a berth in the first division.
If Yreka loses, Dunsmuir will forge
ahead of the Siskiyou county seat
team.
While Mohler will probably pitch
against Shasta, Street will accom-
pany the team. He will be asked,
however, for the game here with
Yreka, a week from Sunday, unless
Mohler gets into difficulties down
at the foot of Mt. Shasta. The
Pelicans are reasonably sure of four
out of the five remaining games.
The doubtful game is against Weed,
and that game may be the deciding
one of the season for the pennant
race.
The following are the individual
batting averages of the Klamath
Falls team:

Arnold	41	18	.439
Noel	41	18	.439
Booth	29	11	.379

Klamath High Girl To Marry Frankie Brazil of Seattle

Pacific Coast League Star
Sluggo To Take Myrtle
Jones For Bride

Frank Brazil, star third base-
man of the Seattle Indians has
scads of things to boast about.
He is running a close race with
Hank O'Doul of Salt Lake City
for the Pacific Coast league slug-
ging record. He is among the
three top home run hitters in
the league, and then, he's a pret-
ty fair third baseman. But
Brazil has a new thing to boast
about now. That thing is a lit-
tle wife—and the thing to boast
of is that she is a Klamath Falls
product.
Brazil hasn't made the jump
yet, but he will next Sunday. Miss
Myrtle Jones will be the bride.
They will be married in Port-
land. Myrtle was graduated from
Klamath high school and lived
until a year ago at 1645 Menlo
Way, in Klamath Falls. She
was born in Paisley, Oregon. A
number of her relatives live here,
now, including Mr. and Mrs.
Walt Rigney, sister and brother-
in-law.

Brazil has a bright future
ahead of him. The New York
Yanks, Cincinnati Reds and
Brooklyn Dodgers have been cast-
ing longing eyes his way, and it
is possible the big boy will go up
next year—if he can move around
a little faster on the field, in-
stead of being a bit cumbersome
to himself in handling hot ones
at the hot corner.

YANKS WIN 3 IN A ROW AND BABE SO EXCITED HE READS NEWSPAPER

Miller Huggins Puts Wrong End Of Cigar In His Mouth
When Yanks Pull Unexpected Feat; White Sox Cau-
sing Senators Heaps Of Trouble

YANK STADIUM, NEW YORK,
July 30.—(United News)—Strong
men screamed, women fainted and a
string of box cars turned a flip-
flop in the railroad yards hard
by the Yankee stadium Thursday
afternoon when the Yanks won an-
other ball game from the St. Louis
Browns and therein established a
winning streak of three consecutive
conquests. Colonel Jake Ruppert,
the owner of the ball club, feverish-
ly shook the ashes from the end of
his walking stick and pounded on
the floor with his cigar. Miller
Huggins' mail-order teeth leaped out
and snapped at a hot dog. Babe
Ruth was so unnerved that he read
one of his newspaper articles, there-
by establishing another record. Ex-
citement was extremely rife.
Fourteen times this season the
Yanks had won two games in a
bunch and 14 times they had fallen
on their faces in the third ef-
fort. This, then was their 15th at-
tempt.
The Yanks caught the Browns
in a slump. The St. Louis team

had lost five games in one smear
and this made their sixth, unless
arithmetic has changed over night.
George Sisler was unable to lend his
support to the Browns, having quit
the team for a few days because
of his mother's death.
Up at the top of the league, the
Athletics who seem impatient to
cinch the pennant, walloped the
Tigers by the forfeit figure of 9
to 0. Sam Gray, the fellow who
won so many games for the Ath-
letics in the early part of the sea-
son and really gave them their end-
off, pitched the shut-out over Ty
Cobb's people, allowing ten hits,
however.
The Senators fumbled one to the
White Sox in Washington, 11 to 1
and the Athletics are now 2½
games in front.
The Indians, as though it mat-
tered, beat the Red Sox, 7 to 2.
Proceeding to the next picture,
the audience will please observe
that the Pirates are covered with
dust, tossed in their faces by the
Braves who have to win now and

and again or fracture law of aver-
ages. The score was 5 to 1. As
the Giants beat the Cubs, 4 to 2,
the wide open space between the
Pirates and John McGraw's subjects
narrowed to 1½ games.
The Reds still out-rank the
Dodgers. Jack Hendrix's team slap-
ped over the Phils, 6 to 2 and the
Dodgers lost to the Cards, 5 to 2.

MacMillan Expedition Is Stuck In Ice Floe

WASHINGTON, July 30.—An ice
pack has gripped the Peary and the
Bowdoin, the two vessels which are
bearing the MacMillan polar ex-
pedition into the far north. This mis-
hap was reported to the national
geographic society here in a mes-
sage Thursday from the explorers,
which stated that the ice was light
and that they expected to break out
of it soon after the message was
sent.
