Pelicans Play Finest Ball Of Season And Beat Yreka 7 to

STREET AND MOHLER SMITE YREKA JINX TEAM BY SUPERB CHUCKING

New Outfielder Clinton Wins Game With Timely Stick Work; "Reggie" Jones Of Yreka Gets Peeved And Razzed But Hurls Fine Ball

"Pop" Glover's fast-flying Pelican flock flew down on the fair grounds field Sunday afternoon, stripped the whole ball lot bare of a full grown crop of glory, and weighed anchor, leaving the Yrekans wondering why their jinx of two previous wins over the Pelicans didn't stand up against the reconstructed pitching staff.

Putting it mildly, the locals put up the finest game of the Season Sunday. There were thrills aplenty and spills aplenty. It was just a see-saw battle from start to finish, the Yrekans taking the lead in the first innings, only to lose it twice during the game. The Pelicans were game to the last, coming from behind several times with timely hits, and giving Street and Mohler airtight support at all times. The boys never did look better.

Despite the fact that Yreka made a grand total of eight errors, the Pelicans earned their victory through timely hitting of the ball.

Elmer Street took the helm for the Pelicans to start with. The Malin boy started pitching to every batter, and up until the time he retired he gave one of the best exhibitions of hurling ever seen on the lot. He struck out 11 men in 8 1-3 innings. Whitsett, the Yreka lead-off man, started the game off with a walk. Hibbard sacrificed him to second, but that sacrifice was useless, for Mathewson simply walked up and whale done out of the lot for a circuit clout. It looked like it would be a free-for-all slugging match, but things settled down after that inning.

"Reggie" Is Razzed

"Reginald" Jones, who dished up balls and strikes for the Californians, pitched a heady game. But "Reggie" didn't take well with the fans. Neither did he take well with the new Pelican Yiddish backstop—O'Brien. O'Brien was forced to take off his mask several times to preserve his dignity. But there was nothing vicious in "Reggie", and besides, the umpire gave a disapproving glance his way, so no fistic hostilities occurred.

It looked for a time like the Pelican flock were going to find slim pickings. They went hitless until the third, when Red Watts slammed out a two-bagger after O'Brien had already received the only free pass Jones issued during the entire game. O'Brien scored on the two-bagger. In the fourth three successive hits by Bayness, Clinton and O'Brien shoved over two runs, and the Pelicans went in the lead by a 3-2 score.

Street Retires

The Pelicans added another tally in the 6th, when Mathews scored a home-run on a scratch hit. "Matty" ran so fast that the Yreka infield threw the ball all over the lot, attempting to head him off. Throws went wild, and the stands went wild when "Matty" crossed home plate 20 yards ahead of the ball.

Street weakened in the eighth, and asked to be relieved. The Malin boy hasn't fully recovered since his sick spell last spring, and seven innings seems his limit.

Brilliant Finish

Glover hustled in Bill Bay, a newcomer from Mt. Shasta. But Bay didn't produce a thing. Before Mohler could be brought up with his powerful southpaw siege gun Bay had let in enough runs to put Yreka in the lead 5-4.

But the Pelicans were out for a victory, and nothing could smack 'em down. Four straight hits by Arnold, Bayness, Clinton and Demitt brought in three runs.

"Lefty" put a brilliant finish to a brilliant game by striking out three Yrekans in the ninth stanza.

The locals are playing great ball. It gets better with each game, and if they lose the pennant, it will be because they didn't start to show the class they are now in just a game or two sooner.

Dempsey and Kearns Battle Gets Hotter

LOS ANGELES, Aug. 10.—(United News)—Jack Dempsey has thrown down the gauntlet to Jack Kearns, according to his personal adviser, Roy Benton.

Dempsey has become peeved over New York newspaper articles eminating from Chicago where Kearns has Mickey Walker in tow.

According to Benton, Dempsey made this challenge Monday:

"If Kearns will tell any responsible newspaper writer in Chicago that I am trying to gyp him on his contract, I will go into the federal courts and attempt to break the agreement between us."

The contract between the two Jacks is merely a scrap of paper, Benton said. And the champion does not think it will hold water in any court in the land.

"If Kearns does not stop his propaganda designed to put the champion in bad with the public," the adviser warned, "the only recourse for Dempsey is to have the contract broken, which he can easily do in the federal courts."

DODGERS SMACK REARIN' REDS 2 TIMES ON NOSE

NEW YORK, Aug. 10.—(United News)—After losing six games in a row, the Brooklyn Dodgers took two violent slams at the Cincinnati Reds Monday afternoon and temporarily suspended the plans of Garry Herrmann to entertain a world series at his navy yard this fall. The pickle, kraut and liverwurst refineries of Cincinnati all suspended their speed-up schedules and laid off thousands of pickle, kraut and liverwurst workers, who had been taken on in order to create a reserve store of these native Cincinnati delicatessens in anticipation of a world series festival.

The Reds were in third place only 2½ games behind the Giants when the day dawned, but they were four games behind them when the sun set. In the afternoon they had lost almost all the advantage they gained by beating the Giants three games out of four in the recent historical series in Cincinnati.

The Dodgers won the first game 7 to 3 and the other 13 to 7.

While this was taking place the Giants were beating the Pirates 2 to 1 in Pittsburgh. Thus the Giants reduced the gap by one full game and are now 3½ games in back of Pittsburgh.

The other games in the league had no bearing on the pennant business. The Braves beat the Cubs 5 to 3 and the Cardinals won from the Phillies by the same score.

The Athletics and Senators both won in the American so the Athletics still lead the Washington squad by two games. Connie Mack's club won from the Browns 6 to 4 and the Senators beat the Indians, 3 to 2.

Quick Action By Fire Dept. Saves Ranch Home

Fire Chief Keith Ambrose lets nothing block a purpose if the example may be used when he was given credit for probably saving the ranch house and barn of Paul Hilton and William Nitschelm Sunday afternoon.

A small hay stack caught fire and the fire department was called to the scene. No water hydrants were within use and the fire blazed merrily on. A thought came to the chief and rushing to the canal, a pony suction pump was used to pump the water from the adjoining lateral of the main canal. The blaze was quenched at once with a loss of the small stack, but the home of the ranchers was out of danger.

Jimmy Slattery Scared To Take On Jew Flash

NEW YORK, Aug. 10.—(United News)—Jimmy Slattery begged to be excused from a fight with a rough character named Maxie Rosenbloom last week, but he has agreed to fight another one, perhaps not quite so rough, on the night of August 28, when Paul Berlenbach will defend the light heavyweight championship against Jack Delaney.

Tex Rickard has persuaded Slattery to take a bout with Tommy Loughran of Philadelphia as the semi-final of the Berlenbach-Delaney bout. This will be Slattery's first showing here since Dave Shade knocked him out and chipped about 60 per cent off his reputation as a coming heavyweight champion.

Rickard also engaged Jack Zivic of Pittsburgh to fight Louis Vicenci, the Chilean in the same entertainment.

GAS RATES LOWERED BY STANDARD OIL CO.

NEW YORK, Aug. 10.—Over production of gasoline caused the Standard Oil company of New York to drop the whoesale price two cents a gallon Monday. A similar decrease in the retail price is expected Tuesday.

The cut was soon met by the Gulf Coast Refining company.

The reduction is from 22 to 20 cents, wholesale and 25 to 23 cents, retail.

Sammy Olson Lined Up To Meet Earl Ritchie liner Just Before Labor Day; "The Boys Ha Mix It This Year," Says Brownie

The curtain will rise on Klamath's 1925-26 boxing season on the night of September 4, the Saturday just before Labor day. Earl Brown, who will have charge of promoting again this year, is making elaborate preparations to provide a card that will get the game off to a flying start this season.

While the headliner has not been definitely decided on, Sammy Olson will probably return to the local game to meet Earl Ritchie. Ritchie won his right to a headliner monicker through the showing he made with Frankie Murphy on the night of July 5th here.

Sammy Olson has been doing a "summer season" turn in and around Reno, Nevada. The bulky Swede is making quite a reputation for himself down in the land of grass widows, but has promised to return to the Klamath country for a few bouts before going east.

Kid Starky Coming

Kid Starkey, who won his way to favorable mention among Klamath fistic fans, will be back here to fight a semi-winduy Sande, a newcomer.

Boxing bids fair to amusement here this changes are being there will be a reduc sion price. And the will be spent in and they will be limi month.
