cinic, pharmacy, and dentistry, and education. The eastern Oregon colon is one of the best informed men in the state and his address before the chamber of commerce forum is looked forward to with keen interest. He is also a member of the special committee on reforestation, the same committee that James H. Driscoll of this city is a member of. Senator Dennis is an orator of marked ability and his address will be of general interest to the citizens of Klamath county.

Venison Barbecue at Crooked Creek Grounds Sept. 13

At the regular meeting of the Klamath Sportsmen's association held in the chamber of commerce rooms Monday night, arrangements were completed for the venison barbecue to be given at the Crooked Creek hatchery grounds on Sunday, September 13th, that being the Sunday following the opening of the hunting season. E. F. Duffey, C. C. Johnson, Hans Christenson, Mark Howard and Wat Sibley were appointed on the committee of arrangements, and the members who attended the fish fry will remember the excellent service rendered by some of the members of this committee, and feel confident that next month means another gastronomic treat for those attending. All members of the state game commission have been invited to attend, and State Game Warden E. F. Averill promises to attend if it is possible for him to be here, also promising to bring as many members of the commission as he can. Jud Short has promised to furnish the meat, and Percy Southwick will act as master of ceremonies, while the rest of the hatchery crew will be on duty to answer questions and help in every way to make the visitors feel at home at the hatchery.

CHAMBER TO RETAIN ROOMS FOR 5 YEARS

Members of the board of directors of the Klamath county chamber of commerce yesterday voted to sign a five-year lease in order to retain the quarters which they are now using under the First National bank. The matter of the construction of a new pest house in Klamath Falls was brought to the attention of the board by Dr. G. A. Massey, and the matter given favorable sanction by the body. Members of the city welfare committee will look into the situation and report at the next meeting of the body. It was suggested by President Andrew Collier that the committee meet with Dr. G. S. Newsom, county health officer, who is in contact with the needs of the city in this regard.

PLUNGES 2600 FEET
YOSEMITE, Calif., Aug. 18.—A suicide note, found in the pocket of a discarded coat at the top of Yosemite Falls, has indicated that Theodore J. Jackowski, of San Francisco, plunged to his death down the 2600 foot drop.

Visitors—Mr. and Mrs. G. W. Fox of Eugene and Mr. and Mrs. J. V. Shank of Albany are among the tourists in the city this week from the valley.

In The City—Mr. and Mrs. Z. M. Boyer and daughter are among the tourists and visitors in the city from their home in Portland.

Managers Exchange Visits—Ed Vannlee, manager of the Golden Rule store here, was in Chilquin yesterday, and Warren Crooks, manager of the Chilquin store, was a visitor here. Mr. Crooks was accompanied by his wife.

New Store To Open—A woolen mills store is to be opened here by J. L. Bowman, until recently owner of a store at North Bend, according to word received here. John Kronholm, who manages the North Bend business, will open the establishment in this city.

Speeder Is Fined—C. B. Anderson, of Malin, was fined \$15 and costs when he was arraigned here yesterday on a charge of speeding. He entered a plea of guilty.

To Headquarters—After spending three months on business in Klamath Falls, Vernon Prakes and E. W. Rose, cable splicers of the Pacific Telephone & Telegraph company, left Klamath Falls today for Roseburg. Later they will return to their headquarters at Portland.

Brush Fire—Starting from a dump pile, a grass fire swept over the hill just east of the city yesterday afternoon and, after covering many acres, finally burned itself out. The fire department made preparations to prevent the blaze from spreading into a residence district.

\$75.00 buys this splendid new Buffet Type **COLONIAL RANGE** with French Cooking Top

The French cooking top, universally used in hotel ranges, has advantages that readily adapt itself to home use. Heats quickly and holds more heat than the partitioned top; consequently is more economical. Being very smooth, and with large flat surface, cooking utensils fit snugly to it. Steaks, chops, fish, eggs and hotcakes can be cooked directly on the French top, particularly where the home is equipped with a hood.

THE WIDE AND SHALLOW FIREBOX Saves Fuel

It makes no difference what you use—wood, coal or briquets—this Pacific Coast firebox cuts fuel bills. It brings the heat directly up under the top cooking surface and gives the proper amount of heat around the oven, insuring quick cooking and uniform baking. This feature alone is sufficient to recommend this new range as the one for you to buy.

If we could take the Colonial range apart and explain every detail of its construction, you would agree with us that for quality of materials and workmanship, it offers the utmost in range value. You will be instantly impressed with its sturdy appearance, its sensible and sanitary design and finish. But not until you have one in your home will you know how well and how economically it cooks and bakes.

Don't allow another day to go by without seeing this snappy, new Buffet Type Range.

Low price, easy terms, and a reasonable allowance for your old range or cookstove.

ICE everyday helps keep sickness away

Food doesn't have to be spoiled to be unhealthful. Many ills of children and grown-ups, too,—are due to food kept in the changing temperatures of a pantry or "kitchen cooler." Science says you cannot keep perishable foods pure and wholesome without proper refrigeration. The safe way—the only sensible way—is to keep ice in your home all the time!
