

PROMINENT MEN TO SPEAK THIS YEAR IN FORUM

Many of the state's most eminent business men, politicians and professional men are to speak at the Klamath Falls chamber of commerce luncheon this fall. Sam Kewer, secretary of state, will be heard September 2; State Senator Jay Upton will speak September 9, and Alfred E. Clark, Portland lawyer, will talk September 16.

Those who have tentatively agreed to appear at forum lunches here, according to an announcement made yesterday by Lina Merritt, chairman of the chamber's forum committee, include the following: Charles L. McNary, senior United States senator from Oregon; Robert N. Stanfield, junior United States senator from Oregon; Nick Sinnott, congressman, second Oregon district; Bruce Dennis, state senator from Union and Wallowa counties; Dr. R. E. Lee Steiner, superintendent Oregon state hospital; Paul B. McKee, vice-president and general manager of the California-Oregon Power company; Clarence R. Hotchkiss, United States marshal; Denton G. Burdick, speaker of the house; Sumpter S. Smith, editor of the Medford Mail-Tribune; George W. Joseph, state senator from Multnomah county; C. C. Chapman, editor of the Oregon Voter, and Lewis A. McArthur, vice-president and general manager of the Pacific Power & Light company, Portland.

K. F. PIONEER RETURNS HERE

arrive home in October, but he admits that among the wonders yet to be seen he expects none greater than this building of a city in the wilderness in the course of much less than one active life.

THRILLING CHASE AT SAN QUENTIN

(Continued From Page One)

to help in the pursuit, and was hovering overhead when the men were taken.

The felons engaging in the break were serving long terms for robbery. Henry Bentz, sentenced from Los Angeles, to ten years for robbery, and Paul Luce, serving a similar term from the same city, were among them.

Be sure of your furnace!

Your comfort—even your health—depends on the kind of heat you obtain from your furnace. That kind of heat depends on the construction of your furnace and the skill with which it is installed in your home. Health requires an abundant circulation of warm moist heat! Not just heated air. Comfort requires adequate heat at minimum expense and effort.

MAN 21—SAW ONE WOMAN IN HIS LIFE—30 BARELEG FLAPS MARCH BY—WHAT'D YOU DO? HE DID, TOO

The rehearsals for "The Pirates of Penzance," to be given under the auspices of the Kiwanis club as a night attraction during the fair, are now progressing steadily and the show is beginning to take shape. This opera is one of Gilbert and Sullivan's best—the comedy being especially good. Can you imagine a young man of just 21 who has only seen one woman in his whole life, and she a weather-beaten, piratical "maid-of-all-work of 47." And then try to imagine his feelings when, after pronouncing to marry this ancient piece of bric-a-brac on her assertion that she is beautiful, he is suddenly confronted by a crowd of about 30 or 40 ravishingly

beautiful Klamath Falls girls on a picnic at the sea shore, wading, bare-legged in the surf. What would you do? Well, he did the same thing.

Then the sergeant of police, with his squad outrivalling the once famous Keystone movie squad, affords wonderful opportunity for local hits at the present day conditions with the many traffic cops and dry enforcement officers, to say nothing of the regular local force, Elmer Balminger is cast for the sergeant, so you may expect something pretty good, for they do say over at Grants Pass that Elmer has a "mean" line of comedy, and cave crowd of about 30 or 40 ravishingly

Stolen Walker Car To Be Brought Back

Garry Conrad, constable, left yesterday for Portland where he will return with the Buick sedan which was stolen from Luke Walker on the night of August 14.

The three young bandits, through the steady and hearty cooperation with chiefs of police throughout the state by Fred Morley, local special agent for the state, were recovered 45 minutes after they had attempted a similar robbery in Portland among garages of the business section.

According to a wire received last night by Morley, from Chief of Police L. V. Jenkins of Portland, the Buick sedan is in splendid running condition and was not injured by the trip taken by the three youths from Klamath Falls to Portland.

CEASELESS SEARCH FOR ALGOMA SLAYER

(Continued From Page One)

for the wounds which caused Navar. ro's death. He reiterated that he simply had been drunk at the time the fight occurred and declared that he could remember but little of what had happened.

Inquest is Tonight

State Officer McBride and Deputies Joe Kimsay and Jim Hilton assisted yesterday in a search for the men who deserted the Southern Pacific camp following the fight.

Tonight at 7:30 an inquest will be held by County Coroner Whitlock.

O. T. OFFICIALS ARRIVE IN K. F.

Further than to confide it was a nice evening, that they had enjoyed their dinners and that they hoped the Interstate Commerce commission will be in a kindly mood when it turns its thoughts to Klamath Falls, four officials of the Oregon Trunk, registered at the White Pelican hotel here last night, had nothing to say.

The men were: J. C. Wright, traveling freight and passenger agent; R. H. Crozier, general passenger agent; R. W. Pickard, general freight agent, and G. C. Lintner, locating engineer. All but Mr. Wright, who lives in Bend, have

their headquarters in Portland. LaPine, Crescent, Silver Lake, Lakeview, Bly, and Bonanza were among the towns visited by the railroad men yesterday. The group will be in the city

tomorrow. The men will pass through the Klamath Indian reservation and will proceed on to Bend.

A circulation covering the city of Klamath Falls and the county of Klamath—that's the Klamath News

KODAK is at 100 The Opposite

Willie, John Mary and J

"Made 12.5 gallons go as far as 20 did before!"

It's no trick getting extra miles out of "Red Crown" because extra miles are in there. Here's what one motorist discovered:

"I checked my mileage last month and was getting only 8.9 miles per gallon. My Red Crown Mileage Card set me right and on my last trip I did 14.4 miles per gallon. In fact I made 12.5 gallons go as far as 20 did before!"

Get a Red Crown Mileage Card, fill the tank to the brim with "Red Crown," follow the instructions in the Mileage Card and watch your mileage increase!
