Conquers Bad Breath and is Popular Again

"The day I started taking Carter's Little Liver Pills," says Mr. John A. Perry of New York City, "my habitual bad breath and bad stomach stopped. I strongly recommend them to all those afflicted with these nasty troubles. I assure you that my own case was a bad one, causing me untold embarrassment, and Carter's helped me right from the start."

Bad breath comes from sour stomach and can usually be relieved quickly by Carter's Little Liver Pills. They are wonderful for constipation, sick-headache and indigestion and they physic the system in a mild and gentle manner, no bad after effects. Recommended and for sale by all drug stores.

Build with STONE-TILE

BUILDERS! SAVE THIS EXPENSE.

By using Stone-Tile foundations for frame dwellings you save the delay and expense of building and stripping forms and hauling a mixer to the job. You avoid the waste of materials that always occurs where the volume of concrete is small.

Build your foundations of dense, hard Stone-Tile, in a fraction of the time. They are substantial, attractive in appearance and save you money.

The footing may be Stone-Tile "solid" block, turned endwise.
