SACRAMENTO, Sept. 1.—Eight million dollars have been spent by the California Veterans' Board in purchasing 1600 homes and 140 farms for state war veterans under the provisions of the Welfare Act of 1921. George M. Stout, secretary of the board, announced today. Stout says that at the present rate of expenditure the remaining \$2,000,000 of the \$10,000,000 voted in 1922 will be gone by January, and that after that time it will be necessary for veterans to wait until the people vote on the new \$20,000,000 bond issue in 1926.

Movie Actors Sadly Underpaid

HOLLYWOOD, Calif., Sept. 1.—There are many businesses more lucrative than the motion picture game, judging from published income tax payments.

The fabulous salaries paid motion picture people, with only very few exceptions, originated in the keen brains of press agents so that a credulous and unsuspecting public might gasp in awe.

The awful truth that movie stars are sadly underpaid, struck movie-dom a severe and painful blow Tuesday.

Press agents with "million-dollar-year" clients are in heading. They'll have some great explaining to do.

In short Hollywood folks are embarrassed.
