Lowest Prices

STATEMENT

Am quitting the shoe business. For six months have been confined to my bed, seriously ill, which has left me physically unable to attend to my business personally. Secondly my rent has been raised to such exorbitant figure that I could not see my way clear. The doctor's advice a change to lower altitude, so am closing out this stock entirely, giving the people of Klamath Falls and vicinity a opportunity to buy shoes at whatever figure they will bring.

(Signed)

W. H. KITTO.
